**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Defense Community Infrastructure Program Grant Proposals; OMB Control Number 0704-0607.

*Needs and Uses:* Section 2391(d) of Title 10, United States Code (10 U.S.C. 2391), authorizes the Secretary of Defense to, “make grants, conclude cooperative agreements, and supplement funds available under Federal programs administered by agencies other than the Department of Defense, for projects owned by a State or local government, or a not-for-profit, member-owned utility service to address deficiencies in community infrastructure supportive of a military installation.” The Consolidated Appropriations Act for Fiscal Year 2021 (Pub. L. 116-260) provided \$60 million to the Office of Local Defense Community Cooperation for the Defense Community Infrastructure Program (DCIP). This information collection supports the awarding of grants under DCIP via the initial grant proposal package prepared in accordance with a Federal Funding Opportunity Announcement posted on the [Grants.gov](https://www.Grants.gov) website. The criteria established for the selection of community infrastructure projects reflects projects consisting of some combination of attributes that will enhance: (i) Military value; (ii) military installation resilience; and/or, (iii) military family quality of life at a military installation. Respondents can be State or local governments and not-for-profit, member-owned utility services owning infrastructure outside of, but supporting, a military installation.

*Affected Public:* State, Local or Tribal Government; Not-for-profit Institutions.  
*Annual Burden Hours:* 2,250.  
*Number of Respondents:* 150.  
*Responses per Respondent:* 1.

*Annual Responses:* 150.  
*Average Burden per Response:* 15 hours.

*Frequency:* Annually.  
 Respondents will be State or local Governments and not-for-profit, member-owned utility services owning infrastructure outside of, but supporting, a military installation. A Proposal Package shall include the following information: point of contact; summary of installation need; letter of endorsement from the Commander of the local installation; description of the proposed project with explanation of how it addresses the installation need; demonstration of the technical feasibility of the project; identification of other parties involved in the project; overview and commitment of all funding sources; uses of project funding, including a total project cost estimate with major cost elements broken out for project administration, inspection, construction, utilities, and contingency costs; project schedule demonstrating that the project can commence within 12 months upon receipt of a grant and that the grant funds will be spent steadily and expeditiously once the project commences, and completed no later than 5 years following the obligation of Federal funds; Environmental Approvals; State and Local Planning (if applicable); Evidence of the intended recipient’s ability and authority to manage grants; Documentation that the Submitting Official is authorized by the proposer to submit a proposal and subsequently apply for assistance; and National Security Waiver Attestation (if appropriate).

### Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; Private School Universe Survey (PSS) 2025-26 and 2027-28 Data Collections, and 2027-28 PSS Frame Development Activities

**AGENCY:** Institute of Educational Sciences (IES), Department of Education (ED).

**ACTION:** Notice.

**SUMMARY:** In accordance with the Paperwork Reduction Act (PRA) of 1995, the Department is proposing a revision of a currently approved information collection request (ICR).

**DATES:** Interested persons are invited to submit comments on or before January 16, 2025.

**ADDRESSES:** Written comments and recommendations for proposed information collection requests should be submitted within 30 days of publication of this notice. Click on this link [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain) to access the site. Find this information collection request (ICR) by selecting "Department of Education" under "Currently Under Review," then check the "Only Show ICR for Public Comment" checkbox. [Reginfo.gov](http://Reginfo.gov) provides two links to view documents related to this information collection request. Information collection forms and instructions may be found by clicking on the "View Information Collection (IC) List" link. Supporting statements and other supporting documentation may be found by clicking on the "View Supporting Statement and Other Documents" link.

**FOR FURTHER INFORMATION CONTACT:** For specific questions related to collection activities, please contact Carrie Clarady, (202) 245-6347.

**SUPPLEMENTARY INFORMATION:** The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

*Title of Collection:* Private School Universe Survey (PSS) 2025-26 and 2027-28 Data Collections, and 2027-28 PSS Frame Development Activities.

*OMB Control Number:* 1850-0641.

*Type of Review:* Revision of a currently approved ICR.

*Respondents/Affected Public:* Individuals or Households.

*Total Estimated Number of Annual Responses:* 32,550.

*Total Estimated Number of Annual Burden Hours:* 5,981.

*Abstract:* The National Center for Education Statistics (NCES), within the U.S. Department of Education, conducts the Private School Universe Survey (PSS), a national survey of private elementary and secondary schools. The PSS is designed to collect biennial data on the total number of private schools,

teachers, and students; and to create an NCES universe frame of private schools that serve as a sampling frame for NCES surveys. This survey is an ongoing project to improve NCES universe and sample data on private schools.

This request is to conduct the 2025-26 and 2027-28 Private School Universe Survey (PSS) data collections, and the 2027-28 PSS frame-development activities.
