

6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), R Consortium, Inc. (“R Consortium”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, Parexel International Corporation, Waltham, MA, has withdrawn as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and R Consortium intends to file additional written notifications disclosing all changes in membership.

On September 15, 2015, R Consortium filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on October 2, 2015 (80 FR 59815).

The last notification was filed with the Department on June 6, 2023. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on August 22, 2023 (88 FR 57129).

Suzanne Morris,
Deputy Director Civil Enforcement Operations, Antitrust Division.

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Cooperative Research Group on Numerical Propulsion System Simulation

Notice is hereby given that, on January 4, 2024, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Southwest Research Institute—Cooperative Research Group on Numerical Propulsion System Simulation (“NPSS”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages

under specified circumstances. Specifically, GE Vernova, Cambridge, MA, has been added as a party to this venture.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open and NPSS intends to file additional written notifications disclosing all changes in membership or planned activities.

On December 11, 2013, NPSS filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on February 20, 2014, (79 FR 9767).

The last notification was filed with the Department on November 10, 2023. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act on December 15, 2023, (88 FR 86940).

Suzanne Morris,
Deputy Director Civil Enforcement Operations, Antitrust Division.
