Proposed Project:

SF–428 Tangible Personal Property Report.

Reinstatement without change and 3 Year Extension and assignment as a Common Form.

OMB No.: 4040–0018.

Office: *Grants.gov*.

Abstract: Reporting on the status of Federally owned property, including disposition, is necessitated in 2 CFR part 215, the “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations”, and the “Uniform Administrative Requirements for Grants and Agreements with State and Local Governments”, Additionally, Public Law 106–107, the Federal Financial Assistance Management Improvement Act requires that agencies “simplify Federal financial assistance application and reporting requirements.” 31 U.S.C. 6101, Section 3.

Agencies are currently using a variety of forms to account for both Federally owned and grantee owned equipment and property. During the public consultation process mandated by Public Law 106–107, grant recipients requested a standard form to help them submit appropriate property information when required. The Public Law 106–107 Post Awards Subgroup developed a new standard form, the Tangible Personal Property Report, for submission of the required data. The form consists of the cover sheet (SF–428), three attachments to be used as required: Annual Report, SF–428–A; Final Report, SF–428–B; Disposition Request/Report, SF–428–C and a Supplemental Sheet, SF–428S to provide detailed individual item information when required. We are requesting a three-year clearance of this collection and that it be designated as a Common Form.
