

A proposed rule change filed under Rule 19b-4(f)(6)¹⁹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),²⁰ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The proposed taxonomy changes and non-substantive and should make the Exchange's rules easier to understand. The Exchange states that a temporary delay in the operation of SR-CHX-2013-16 will facilitate the proper implementation of complex functionalities, which in turn will allow it to better enforce compliance with the approved rules. Based on that representation, the Commission believes that delayed implementation is consistent with the protection of investors and the public interest. For these reasons, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.²¹

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²² of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange. SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2013-0042]

Agency Proposed Business Process Vision Under the Rehabilitation Act of 1973

AGENCY: Social Security Administration (SSA).

ACTION: Notice of availability of proposed business process vision following self-evaluation under Section 504 of the Rehabilitation Act of 1973 and request for comments.

SUMMARY: On November 5, 2010, we published a **Federal Register** notice requesting comments regarding our self-evaluation under Section 504 of the Rehabilitation Act of 1973. We requested the public's ideas and suggestions on how we could best perform the self-evaluation. We received a limited number of comments from advocacy groups and individuals.

On August 2, 2011, we published a second **Federal Register** notice announcing the two public forums we held in Falls Church, Virginia, where the public could provide us with comments in person or via telephone.

The notice also requested written comments from those who preferred to communicate with us in writing.

On October 24, 2011, we published a third **Federal Register** notice to extend the deadline to provide written comments.

This **Federal Register** notice announces the modifications we propose to make to our business process based on our self-evaluation. A description of our business process vision under Section 504 of the Rehabilitation Act of 1973 is now available at www.socialsecurity.gov/accessibility/section504. Our business process vision outlines the actions we are currently taking to implement many of the self-evaluation key findings and recommendations. Specifically, we are developing additional policies in this area to provide clear guidance to all SSA components. We developed and are continuing to develop electronic systems to capture information about the accommodations people tell us they need, and we trained and continue to train our employees about Section 504 and its requirements. Finally, we established a new organization, the Center for Section 504 Compliance, to oversee all of these efforts and manage the business process.

DATES: To ensure that your comments are considered, we must receive them no later than December 23, 2013.

ADDRESSES: You may submit written comments by any one of three methods—Internet, fax or mail. Do not submit the same comments multiple times, or by more than one method. Regardless of which method you choose, please state that your comments refer to Docket No. SSA-2013-0042, so that we may associate your comments with the correct activity.
