SUPPLEMENTARY INFORMATION: Section 1408 of the National Agricultural Research, Extension, and Teaching Policy Act of 1977 (7 U.S.C. 3123) was amended by the Food, Energy and Conservation Act of 2008 by deleting six members of the National Agricultural

Research, Extension, Education and Economics Advisory Board, to total 25 members. Since the inception of the Advisory Board by congressional legislation in 1996, each member has represented a specific category related to farming or ranching, food production and processing, forestry research, crop and animal science, land-grant institutions, non-land grant college or university with a historic commitment to research in the food and agricultural sciences, food retailing and marketing, rural economic development, and natural resource and consumer interest groups, among many others. The Board was first appointed by the Secretary of Agriculture in September 1996 and one-third of its members were appointed for one, two, and three-year terms, respectively to allow for approximately one-third of the Board to change each year. The terms for 11 members who represent specific categories will expire September 30, 2009. Nominations for these 11 vacant categories are sought. All nominees will be carefully reviewed for their expertise, leadership, and relevance to a category. Appointments will be made for two- or three-year terms to maintain the approximate one-third change in membership each year dictated by the original legislation.

The 11 slots to be filled are:
 Category A. National Farm Organization;
 Category C. Food Animal Commodity Producer;
 Category I. National Human Health Association;
 Category M. 1994 Land Grant Institution;

Appointments to the National Agricultural Research, Extension, Education and Economics Advisory Board will be made by the Secretary of Agriculture.

Done at Washington, DC, this 6th day of July 2009.
