

serious injury or mortality) of the Companion Manual for NOAA Administrative Order 216-6A, which do not individually or cumulatively have the potential for significant impacts on the quality of the human environment and for which we have not identified any extraordinary circumstances that would preclude this categorical exclusion. Accordingly, NMFS determined that the issuance of the initial IHA qualified to be categorically excluded from further NEPA review. NMFS has determined that the application of this categorical exclusion remains appropriate for this renewal IHA.

Renewal IHA

As a result of these determinations, NMFS has issued a renewal IHA to NOAA OMAO for take of marine mammals incidental to conducting construction activities associated with NOAA vessel relocation at NAVSTA in Newport, RI, effective from February XX, 2025 through February XX, 2026, provided the previously described mitigation, monitoring, and reporting requirements are incorporated.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Programs: The Part A SIP, Part A ANNH, Part A PBI, Part A NASNTI, and Part A AANAPISI programs are authorized under title III, part A of the HEA. The Part F HSI STEM and Articulation, Part F PBI, Part F ANNH, Part F NASNTI, and Part F AANAPISI programs are authorized under title III, part F of the HEA. The HSI and PPOHA programs are

authorized under title V of the HEA. Please note that certain programs addressed in this notice have the same or similar names as other programs that are authorized under a different statutory authority. For this reason, we include the statutory authority within the acronym for certain programs.

Under the programs discussed above, institutions are eligible to apply for grants if they meet specific statutory and regulatory eligibility requirements. An institution of higher education that is designated as an eligible institution may also receive a waiver of certain non-Federal cost-sharing requirements for one year under the Federal Supplemental Educational Opportunity Grant (FSEOG) program authorized by title IV, part A of the HEA and the Federal Work-Study (FWS) program authorized by section 443 of the HEA. Qualified (eligible) institutions may receive the FSEOG and FWS waivers for one year even if they do not receive a grant under a title III or V grant program. An applicant that receives a grant from the Student Support Services (SSS) program that is authorized under section 402D of the HEA, 20 U.S.C. 1070a-14, may receive a waiver of the required non-Federal cost share for institutions for the duration of the grant. An applicant that receives a grant from the Undergraduate International Studies and Foreign Language (UISFL) program that is authorized under section 604 of the HEA, 20 U.S.C. 1124, may receive a waiver or reduction of the required non-Federal cost share for institutions for the duration of the grant.

Sections 312, 502, and 512 of the HEA, 34 CFR 607.2-607.5, and 34 CFR 606.2-606.5 include many of the basic eligibility requirements for grant programs authorized under titles III and V of the HEA. Sections 312(b)(1)(B) and 502(a)(2)(A) of the HEA provide that, to be eligible for these programs, an institution of higher education's average "educational and general expenditures" (E&G) per full-time equivalent (FTE) undergraduate student must be less than the average E&G expenditures per FTE undergraduate student of institutions that offer similar instruction (public 2-year, public 4-year, private 2-year, and private 4-year) in that year.

The National Center for Education Statistics (NCES) calculates Core Expenses per FTE of institutions, a statistic like E&G per FTE. Both E&G per FTE and Core Expenses per FTE are based on regular operational expenditures of institutions (excluding auxiliary enterprises, independent operations, and hospital expenses). They differ only in that E&G per FTE is based on fall undergraduate enrollment,
