Kansas Electric Power Cooperative, Inc. v. Westar Energy, Inc.; Notice of Complaint

Take notice that on November 16, 2018, pursuant to sections 206, 306, and 309 of the Federal Power Act, 16 U.S.C. 824e, 825e, and 825h, and section 206 of the Federal Energy Regulatory Commission’s (Commission) Rules of Practice and Procedure, 18 CFR 385.206 (2018), Kansas Electric Power Cooperative, Inc. (Complainant) filed a formal complaint (complaint) against Westar Energy, Inc. (Westar or Respondent), alleging that Westar is violating its generation formula rate, Commission orders, regulations, and generally applicable ratemaking policies, as more fully explained in the complaint.

The Complainant certifies that copies of the complaint were served on the contacts for Respondent and the Kansas Corporation Commission as listed on the Commission’s list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission’s Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent’s answer and all interventions, or protests must be filed on or before the comment date. The Respondent’s answer, motions to intervene, and protests must be served on the Complainant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the “eFiling” link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 5 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

This filing is accessible online at <http://www.ferc.gov>, using the “eLibrary” link and is available for electronic review in the Commission’s Public Reference Room in Washington, DC. There is an “eSubscription” link on the website that enables subscribers to receive email notification when a

[Docket No. CP18-548-000]

Eastern Shore Natural Gas Company; Notice of Schedule for Environmental Review of the Del-Mar Energy Pathway Project

On September 14, 2018, Eastern Shore Natural Gas Company (Eastern Shore) filed an application in Docket No. CP18-548-000 requesting a Certificate of Public Convenience and Necessity pursuant to Section 7(c) of the Natural Gas Act to construct and operate certain natural gas pipeline facilities. The proposed project is known as the Del-Mar Energy Pathway Project (Project), and would provide about 11.8 million cubic feet per day of additional natural gas firm transportation and 2.5 million cubic feet per day of off-peak transportation service to three local distribution companies and one industrial shipper.

On September 27, 2018, the Federal Energy Regulatory Commission (Commission or FERC) issued its Notice of Application for the Project. Among other things, that notice alerted agencies issuing federal authorizations of the requirement to complete all necessary reviews and to reach a final decision on a request for a federal authorization within 90 days of the date of issuance of the Commission staff's Environmental Assessment (EA) for the Project. This instant notice identifies the FERC staff's
