Type of Review: New.

Title: Higher Education Disaster Relief, Pre-Application Information Form.

Abstract: The Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009 (Pub. L. 110–329) provides \$15 million in awards to institutions of higher education located in areas affected by hurricanes, floods, and other natural disasters occurring during 2008 for which the President declared a major disaster under Title IV

of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974. Emergency clearance is requested for the Pre-Application form, which is needed to collect information to determine the size of institutional awards under the Higher Education Disaster Relief program. Congress expects awards to be made within 60 days of the enactment of Public Law 110–329. The law was enacted September 30, 2008. Refer to Status of Appropriations Bills at <http://thomas.loc.gov/home/approp/app09.html>.

Additional Information: The U.S. Department of Education (the Department) requests that OMB grant an emergency clearance by November 13, 2008 for the application package for the FY 2009 Higher Education Disaster Relief program. On September 30, 2008 in the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act (2009), Congress provided \$15 million for awards to institutions of higher education located in areas affected by hurricanes, floods, or other natural disasters occurring during 2008, for which the President declared a major disaster under title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974. The law provides that the Department make awards within 60 days of enactment, or by November 30, 2008.

The Department intends to follow the same procedures used in FY 2006 and FY 2007 to allocate funds in the Hurricane Education Recovery Awards grant program. The proposed information collection for the 2009 Higher Education Disaster Relief program is nearly identical to that approved in 2006 and 2007, and would include the following quantitative measures:

- Revenue lost as a result of natural disasters;
- Expenses already incurred by the institution in remediation of the effects of 2008 natural disasters;
- Estimated construction costs to repair or replace campus buildings damaged by the natural disaster; and the
- Estimated amount to be reimbursed by insurance or other Federal agency, foundation or charitable outlays for disaster relief.

The Department will publish a separate Draft Closing date notice in the **Federal Register** announcing the application package. A Pre-Application Information Form will be made available for download on the Department's Web site, requesting that applicants e-mail responses to a special Department mailbox (HEDR@ed.gov) for processing. Institutional allotments from

the \$15 million appropriation will be based on these responses. Once notified of their allotments, applicants will submit additional information through Grants.gov using already approved standard forms. Information specific to each registered Grants.gov user, including all postsecondary institutions, is already available in the Grants.gov system.

Frequency: One time.

Affected Public: Businesses or other for-profit; Not-for-profit institutions.

Reporting and Recordkeeping Hour Burden:

Responses: 50.

Burden Hours: 75.
