AGENCY: Department of Defense (DoD).
ACTION: Final rule.

SUMMARY: DoD is adopting as final, without change, an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 8064 of the DoD Appropriations Act for Fiscal Year 2001 and Section 805 of the DoD Authorization Act for Fiscal Year 2001. These laws place restrictions on the acquisition of vessel propellers and ball and roller bearings from foreign sources.
EFFECTIVE DATE: October 1, 2001.

SUPPLEMENTARY INFORMATION:

A. Background

DoD published an interim rule at 65 FR 77827 on December 13, 2000. The rule amended the DFARS to implement Section 8064 of the DoD Appropriations Act for Fiscal Year 2001 (Public Law 106-259) and Section 805 of the DoD Authorization Act for Fiscal Year 2001 (Public Law 106-398). Section 8064 of Public Law 106-259 restricts the acquisition of ball and roller bearings and vessel propellers to those produced by a domestic source and of domestic origin. The restriction does not apply to the purchase of commercial items, except ball or roller bearings purchased as end items. Section 805 of Public Law 106-398 extends the restriction on acquisition of ball and roller bearings at 10 U.S.C. 2534 through fiscal year 2005.

Three sources submitted comments on the interim rule. DoD considered all comments in the decision to convert the interim rule to a final rule without change.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD has prepared a final regulatory flexibility analysis for this rule. Interested parties may obtain a copy of the analysis from the point of contact specified herein. The analysis is summarized as follows: The objective of the rule is to protect the domestic industrial base for ball and roller bearings and vessel propellers as required by statute. By restricting foreign competition, the rule will benefit domestic small business concerns that manufacture ball or roller bearings, bearing components, vessel propellers, or vessel propeller casings. DoD received no public comments that addressed the initial regulatory flexibility analysis.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

[DFARS Case 2000-D026]

**Defense Federal Acquisition
Regulation Supplement; Cost or
Pricing Data Threshold**

AGENCY: Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to reflect the increase in the cost or pricing data threshold specified in the Federal Acquisition Regulation (FAR).

EFFECTIVE DATE: October 1, 2001.

SUPPLEMENTARY INFORMATION:

A. Background

FAR 15.403-4 specifies the dollar threshold at which contracting officers obtain cost or pricing data in negotiated acquisitions. On October 11, 2000 (65 FR 60553), this threshold was increased from \$500,000 to \$550,000.

This final rule amends DFARS 215.404 and 253.215-70 to remove references to the \$500,000 threshold. Since 10 U.S.C. 2306a(a)(7) and 41 U.S.C. 254b(a)(7) require review of the cost or pricing data threshold every 5 years, this rule replaces the figure "\$500,000" with the phrase "cost or pricing data threshold" to minimize the need for future DFARS changes.

This rule was not subject to Office of Management and Budget review under
