AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily finds that countervailable subsidies were provided to Zhejiang Dingli Machinery Co., Ltd. (Dingli), and its cross-owned affiliates, a producer and exporter of mobile access equipment and subassemblies thereof (mobile access equipment) from the People's Republic of China (China). The period of review (POR) is January 1, 2022, through December 31, 2022. In addition, Commerce is rescinding this review, in part, with respect to 31 companies. Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 11, 2025.

SUPPLEMENTARY INFORMATION:**Background**

On February 8, 2024, based on timely requests for review, Commerce published a notice of initiation of an administrative review of the countervailing duty order¹ on mobile access equipment from China with respect to 32 companies.² On April 9, 2024, we selected Dingli as the mandatory respondent in this review.³ On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.⁴ On August 20, 2024, Commerce extended the

deadline for issuing these preliminary results by 117 days, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).⁵ On December 9, 2024, Commerce tolled certain deadlines in this administrative review by 90 days.⁶ On April 3, 2025, Commerce extended the deadline for issuing these preliminary results by three days. The deadline for these preliminary results is now April 7, 2025.⁷

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision

Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by the *Order* are mobile access equipment from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, In Part

In accordance with 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested the review withdraw their requests within 90 days of the date of publication of the notice of initiation of the requested review. Commerce received a timely-filed withdrawal request with respect to 31 companies, pursuant to 19 CFR 351.213(d)(1). Because the withdrawal request was timely filed, and no other parties requested a review of these companies, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding

this review of the *Order* with respect to these 31 companies. For a list of these companies, see Appendix II.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.⁹ For a full description of the methodology underlying our conclusions, including our reliance, in part, on facts otherwise available with adverse inferences pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily find that the following net subsidy rate exists for the POR, January 1, 2022, through December 31, 2022:

Company	Subsidy rate (percent <i>ad valorem</i>)
Zhejiang Dingli Machinery Co. Ltd.; Zhejiang Green Power Machinery Co., Ltd.; Zhejiang Shengda Fenghe Automotive Equipment Co., Ltd.; Zhejiang Xieheng Intelligent Equipment Co., Ltd. ¹⁰	79.33

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies listed in Appendix II for which the review is being rescinded, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2022, through December 31, 2022, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this notice of rescission, in part, in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP regarding Dingli, no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).
