How Can You Get Copies of NOP Guidance Documents?

NOP will make copies available in hard copy on request and through the NOP website.

How Will NOP Keep You Informed of the Guidance Documents That Are Available?

NOP will maintain on its website a list of all current guidance documents. New documents will be added to this list within 30 days of issuance. Annually, NOP will publish in the **Federal Register** its comprehensive list of guidance documents. The comprehensive list will identify documents that have been added to the list or withdrawn from the list since the previous comprehensive list. NOP's guidance document lists will include the name of the guidance document, issuance and revision dates, and information on how to obtain copies of the document.

What Can You Do If You Believe That Someone at NOP Is Not Following These GGP's?

If you believe that someone at NOP did not follow the procedures in this section or that someone at NOP treated a guidance document as a binding requirement, you should contact that person's supervisor. If the issue cannot be resolved, you should contact the next highest supervisor. If you are unable to resolve the issue, you may ask the Deputy Administrator for Transportation and Marketing Programs, or the Administrator of AMS to become involved.
