IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to FICC. Specifically, the Commission finds that the proposed rule change is consistent with Section

17A(b)(3)(A) of the Act,¹⁰ which requires, among other things, that FICC, as a registered clearing agency, be so organized and has the capacity to be able to safeguard securities and funds in its custody or control or for which it is responsible. The Commission notes that the proposed rule change adopts membership standards and safeguards that are substantively identical to those of the National Securities Clearing Corporation and The Depository Trust Company, which were published for comment in 2008 and generated no comments.¹¹ The Commission does not believe that this proposal raises new regulatory issues. Moreover, the changes in U.S. bankruptcy laws cited by FICC appear to have strengthened FICC's ability to secure the funds and securities pledged as collateral by a non-U.S. entity to FICC in the event that such entity were to become insolvent. Therefore, the proposed rule change should enhance FICC's capacity to safeguard securities and funds in its custody or control or for which it is responsible.

At FICC's request, the Commission finds good cause to approve the proposed rule change prior to the thirtieth day after the date of publication of notice in the **Federal Register**, pursuant to Section 19(b)(2) of the Act.¹² The Commission believes that accelerating approval of this proposal is appropriate in that the proposed rule change is substantively identical to rules proposed by FICC-affiliated clearing agencies and approved by the Commission in 2008,¹³ and that it will allow prospective non-U.S. entities that wish to avail themselves of FICC's clearance and settlement, cost-savings, and risk-management services without undue delay.

V. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular Section 17A of the Act¹⁴ and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁵ that the proposed rule change (SR-FICC-2009-02) be and hereby is approved on an accelerated basis.¹⁶

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-59452; File No. SR-BX-2009-012]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Fees for Members Using the NASDAQ OMX BX Equities System

February 25, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 19, 2009, NASDAQ OMX BX, Inc. ("BX") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

BX proposes to modify pricing for BX members using the NASDAQ OMX BX Equities System. BX will implement this rule change on March 2, 2009. The text of the proposed rule change is attached as Exhibit 5³ and is available at <http://nasdaqomxbx.cchwallstreet.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B,

¹⁷ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ The Commission notes that while provided in Exhibit 5 to the filing, the text of the proposed rule change is not attached to this notice but is available at the Commission's Public Reference Room and at <http://nasdaqomxbx.cchwallstreet.com>.

and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is proposing to reduce its fee to access liquidity posted on the BX book from \$0.0022 per share executed to \$0.0014 per share executed. Since its launch on January 16, 2009, BX has begun to acquire market share in U.S. equities trading. However, in a highly competitive environment in which routing decisions are affected by execution costs and the likelihood of accessing liquidity, BX believes that a fee reduction will increase the likelihood of BX receiving orders ahead of other venues posting the same prices, thereby encouraging further liquidity provision through BX and enhancing its market quality through greater depth of book.

2. Statutory Basis

BX believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁴ in general, and with Section 6(b)(4) of the Act,⁵ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which BX operates or controls. The proposed fee change applies uniformly to all BX members. The impact of the changes upon the net fees paid by a particular market participant will depend upon the order types that it uses and the prices of its quotes and orders (*i.e.*, its propensity to add or remove liquidity). BX notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The proposed changes will lower the cost of accessing liquidity through BX.

B. Self-Regulatory Organization's Statement on Burden on Competition

BX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁶ and subparagraph (f)(2) of Rule 19b-4 thereunder.⁷ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
