**SUPPLEMENTARY INFORMATION:** USDA is seeking nominees for membership on the National Advisory Committee on Meat and Poultry Inspection. The Committee provides advice and recommendations to the Secretary on the meat and poultry inspection

programs, pursuant to sections 7(c), 24, 205, 301(a)(3), 301(a)(4), and 301(c) of the Federal Meat Inspection Act (21 U.S.C. 607(c), 624, 645, 661(a)(3), 661(a)(4)), and 661(c) and the sections 5(a)(3), 5(a)(4), 5(c), 8(b), and 11(e) of the Poultry Products Inspection Act (21 U.S.C. 454(a)(3), 454(a)(4), 454(c), 457(b), and 460(e)). Nominations for membership are generally sought from persons representing producers; processors; exporters and importers of meat and poultry products; academia; Federal and State government officials; and consumers. Due to the resignation of a member appointed in March 2003, we are currently seeking a consumer representative at this time in order to maintain the balance of representation in all areas of interest on the Committee. This appointee will serve out the remainder of this term which ends in March 2005.

Appointments to the Committee will be made by the Secretary. To ensure that recommendations of the Committee take into account the needs of the diverse groups served by the Department, membership should include, to the extent practicable, persons with demonstrated ability to represent minorities, women, and persons with disabilities. It is anticipated that the Committee will meet at least twice annually.
