### Coast Guard

### 33 CFR Part 165

[Docket Number USCG–2022–0352]

RIN 1625–AA00

### Safety Zone; Red Bull Flugtag, Milwaukee, WI

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for certain waters of Lake Michigan in the vicinity of Veterans Park in Milwaukee,

WI. This action is necessary to provide for the safety of life on these navigable waters during the Red Bull Flugtag event on July 16, 2022. This rulemaking will restrict usage by persons and vessels within the safety zone. At no time during the effective period may non-event persons or vessels transit the waters of Milwaukee Harbor within 800 feet of the southern shoreline of Veterans Park. These restrictions apply to all persons and vessels during the effective period unless authorized by the Captain of the Port Lake Michigan or a designated representative.

**DATES:** This rule is effective from 9 a.m. through 6 p.m. on July 16, 2022.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2022–0325 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

#### II. Background Information and Regulatory History

On March 12, 2022, the organizer of the Red Bull Flugtag Milwaukee notified the Coast Guard that it will be organizing an event in the Milwaukee Harbor on July 16, 2022 from 11:00 a.m. through 4:00 p.m. The marine event will take place in the waters of Milwaukee Harbor adjacent to the south shore of Veterans Park in Milwaukee, WI. In response, on May 12, 2022, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Red Bull Flugtag, Milwaukee, WI (87 FR 29244). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this fireworks display. During the comment period that ended June 13, 2022, we received 00 comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of

this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the event.

### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Lake Michigan (COTP) has determined that potential hazards associated with the Red Bull Flugtag Milwaukee event would be a safety concern for anyone within the safety zone that is not participating in the event. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled event.

### IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published May 12, 2022. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a safety zone from 9:00 a.m. to 6:00 p.m. on July 16, 2022. The safety zone will cover all navigable waters of Milwaukee Harbor within 800 feet of the southern shoreline of Veterans Park. The duration of the zone is intended to ensure the safety of life and vessels on these navigable waters before, during, and after the event. No vessels or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

#### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the characteristics of the safety zone. The safety zone created by this rule is relatively small and is designed to minimize its impact on

navigable waters. This rule will prohibit entry into certain navigable waters of Milwaukee Harbor, WI, and it is not anticipated to exceed 9 hours in duration. Thus, restrictions on vessel movement within that particular area are expected to be minimal. Moreover, under certain conditions vessels may still transit through the safety zone when permitted by the COTP Lake Michigan.

#### *B. Impact on Small Entities*

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received 00 comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### *C. Collection of Information*

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### *D. Federalism and Indian Tribal Governments*

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### *E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### *F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting 9 hours that would prohibit entry within a relatively small portion of Milwaukee Harbor. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–

001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

#### *G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

## DEPARTMENT OF VETERANS AFFAIRS

### 38 CFR Parts 1 and 14

**RIN 2900–AQ81**

#### **Individuals Using the Department of Veterans Affairs' Information Technology Systems To Access Records Relevant to a Benefit Claim**

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Final rule.

**SUMMARY:** The Department of Veterans Affairs (VA) issues this final rule amending its regulations addressing when VA will allow individuals and VA recognized service organizations who are assisting claimants in the preparation, presentation, and prosecution of their benefit claims before VA to access specific VA's information technology (IT) systems to review VA records relevant to their clients' claims. This final rule addresses who is permitted, and under what circumstances, to directly access VA records and other claims-related information through specific VA IT

systems during representation of a claimant in a claim for VA benefits. This rule also outlines the appropriate behavior while using VA's IT systems to access records and the consequences for individuals who mishandle such access. This rulemaking, however, does not address general issues involving management of access to VA physical facilities or VA's disclosure of claimants' private information through any means other than direct access to the specific VA IT systems.

**DATES:** This final rule is effective July 25, 2022.

#### **FOR FURTHER INFORMATION CONTACT:**

Carling K. Bennett, Management and Program Analyst, Office of Administrative Review, Department of Veterans Affairs, 810 Vermont Avenue NW, Washington, DC 20420, 202–632–5347 (this is not a toll-free number).

**SUPPLEMENTARY INFORMATION:** On February 19, 2020, VA published a proposed rule in the **Federal Register** at 85 FR 9435–41, to clarify when an individual providing representation on a claim may access a claimant's automated records now that VA has transitioned to primarily processing VA benefit claims electronically. VA provided a 60-day public comment period and invited interested persons to submit written comments on or before April 20, 2020. In response to the proposed rule, VA received 15 written comments. The commenters included VA-accredited attorneys, law firms, VA-recognized veterans service organizations (VSOs), non-profit corporations, a legal clinic, a law student, and a trade association. In preparing this final rule, VA carefully considered all comments received in response to the proposed rule and addresses them below according to topic. In this final rule, VA focuses its discussion on changes from the proposed revisions based on comments received during the comment period and VA's further consideration of the issues raised by the comments. By clarifying through this rulemaking: (1) who is eligible to apply for remote access to VA IT systems for the purpose of representing, or assisting in the representation of, claimants on their VA benefits claims, and (2) the basic parameters on the privileges that will be granted to the approved VA IT system users, VA will provide transparency to Veterans and beneficiaries as to who may receive information from VA by accessing specific VA IT systems remotely. However, this rule does not change the ability of VA to disclose a claimant's private claim information through other methods to the claimant's
