

confirmed that there has been a breach of the system of records; (2) the Commission has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, the Commission (including its information systems, programs, and operations), the Federal Government, or national security; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the Commission's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm; or

(1) To disclose to another Federal agency or Federal entity, when the Commission determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

#### **POLICIES AND PRACTICES FOR STORAGE OF RECORDS:**

The LabCFTC system of records stores records in this system electronically or on paper in secure facilities. Electronic records are stored on the Commission's secure network and other electronic media as needed, such as encrypted hard drives and back-up media.

#### **POLICIES AND PRACTICES FOR RETRIEVAL OF RECORDS:**

Certain information covered by this system of records notice may be retrieved by name, email address, physical address, or other unique individual identifiers, and other types of information by keyword search.

#### **POLICIES AND PRACTICES FOR RETENTION AND DISPOSAL OF RECORDS:**

Records for this system will be maintained until the National Archives approves the records disposition schedules for their disposition. After the schedules are approved, the records will be maintained in accordance with the retention periods in the schedules. All approved schedules are available at [www.cftc.gov](http://www.cftc.gov).

#### **ADMINISTRATIVE, TECHNICAL, AND PHYSICAL SAFEGUARDS:**

Records are protected from unauthorized access and improper use through administrative, technical, and physical security measures. Administrative safeguards include written guidelines on handling

LabCFTC information. All CFTC personnel are subject to CFTC agency-wide procedures for safeguarding personally identifiable information and receive annual privacy and security training. Technical security measures within CFTC include restrictions on computer access to authorized individuals who have a legitimate need to know the information; required use of strong passwords that are frequently changed; multi-factor authentication for remote access and access to many CFTC network components; use of encryption for certain data types and transfers; firewalls and intrusion detection applications; and regular review of security procedures and best practices to enhance security. The technology also has a time-out function that requires users to re-access and input information if the time limit expires. Physical safeguards include restrictions on building access to authorized individuals, 24-hour security guard service, and maintenance of records in lockable offices and filing cabinets.

#### **RECORD ACCESS PROCEDURES:**

Individuals seeking to determine whether this system of records contains information about themselves or seeking access to records about themselves in this system of records should address written inquiries to the Office of General Counsel, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street NW, Washington, DC 20581. See 17 CFR 146.3 for full details on what to include in a Privacy Act access request.

#### **CONTESTING RECORD PROCEDURES:**
