

Evening Scoping Meeting

Date and Time: Tuesday, March 4, 2008, 6:30 p.m.

Location: Auburn Recreation District-Canyon View Community Center.

Scoping Document 1 (SD1), which outlines the subject areas to be addressed in the environmental document, was mailed to the individuals and entities on the Commission's mailing list. Copies of SD1 will be available at the scoping meetings, or may be viewed on the web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph n. Based on all oral and written comments, a Scoping Document 2 (SD2) may be issued. SD2 may include a revised process plan and schedule, as well as a list of issues, identified through the scoping process.

Site Visit

Typically, a site visit is held together with the scoping meeting. However, because most of the project sites will not be accessible in March, the licensees and Commission staff will visit the project sites on Wednesday, June 25, 2008, starting at 8 AM. All participants should meet at Auburn Recreation District Canyon View Community Center, located at 471 Maidu Drive, Auburn, California. Placer County Water Agency will provide transportation for participants. Anyone interested in attending the site visit should contact Mr. Mal Toy of Placer County Water Agency at (530) 823-4889 by June 11, 2008.

Meeting Objectives

At the scoping meetings, staff will: (1) Initiate scoping of the issues; (2) review and discuss existing conditions and resource management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of federal, state, and tribal permitting and certification processes; and (5) discuss the appropriateness of any federal or state agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n. of this document.

Meeting Procedures

The meetings will be recorded by a stenographer and will become part of the formal record of the Commission proceeding on the project.
