

items). Records of the Office of Operations, including such records as administrative files, continuity of operations plans, legislative files, working papers, status and progress reports, training materials, and traffic control subject files. Proposed for permanent retention are such records as traffic control devices rulemaking files, rulemaking records relating to work zone safety, and size and weight reports and publications.

22. Barry M. Goldwater Scholarship and Excellence in Education Foundation, Agency-wide (N1-508-09-1, 1 item, 1 temporary item). Case files on students who are awarded scholarships, including such records as applications, nominations, and payment requests.

23. Environmental Protection Agency, Headquarters (N1-412-09-3, 1 item, 1 temporary item). Master files of an electronic information system that enables Federal and non-Federal regulatory agencies to order audit samples for compliance testing and report the results.

24. Environmental Protection Agency, Headquarters (N1-412-09-4, 2 items, 2 temporary items). Master files of an electronic information system that supports the registration of fuel and fuel additives and includes compliance data related to fuels and additives.

25. Environmental Protection Agency, Office of International Affairs (N1-412-07-66, 30 items, 17 temporary items). This schedule authorizes the agency to apply the existing disposition instruction to records regardless of recordkeeping medium. Records consisting primarily of administrative files or containing duplicative data from the State Department. The records cover such topics as the United Nations Environmental Program, special foreign currency, bilateral programs, reimbursable technical assistance, U.S. and Russia environmental agreement, laws of the sea and deep seabed mining, ocean dumping, oil pollution, Organization for Economic Cooperation and Development, World Health Organization, U.S. and Canadian relations, U.S. and Mexican relations, and international travel. Paper recordkeeping copies of these files were previously approved for disposal. Proposed for permanent retention are agreements, other formally issued documents, position papers, reports, pilot studies, and other significant documents relating to such matters as the U.S. and Russia environmental agreement, laws of the sea and deep seabed mining, oil pollution, NATO Committee on the Challenges of Modern Society, U.S. and Canadian relations,

and the U.S. and Mexican relations, for which paper recordkeeping copies previously were approved as permanent.

26. Equal Employment Opportunity Commission, Agency-wide (N1-403-08-2, 9 items, 3 temporary items). Copies of correspondence received by the Chairman and forwarded to other offices for reply, chronological files, and routine appeals case files of the Office of Federal Operations. Proposed for permanent retention are such records as agendas, transcripts, and recordings of Commission meetings, Commission decision files, and significant appeals case files.

27. Federal Open Market Committee, Secretariat (N1-82-09-1, 8 items, 4 temporary items). Ad hoc trial-run records created when the Federal Open Market Committee experiments with economic projection processes. Included are individual submissions and related summaries and compilations. Records relating to projections that are adopted and used are proposed for permanent retention.

28. National Archives and Records Administration, Office of Records Services—Washington, D.C. (N1-64-09-1, 1 item, 1 temporary item). Records relating to agency activities to assist other Federal agencies and non-Federal governmental entities in protecting and preserving records in the event of emergencies and natural disasters.

29. National Archives and Records Administration, Office of the Archivist (N1-64-09-2, 1 item, 1 temporary item). Petitions sent to the Archivist of the United States requesting expedited release of certain Hillary Clinton White House documents. A sample of 36 petitions will be retained permanently in accordance with a previously approved schedule.

30. Pension Benefit Guaranty Corporation, Agency-wide (N1-465-09-1, 17 items, 15 temporary items). Records relating to such matters as budget and finance, communications, legal affairs, public and congressional relations, administrative issuances and policies, regulations, security, and personnel management. Proposed for permanent retention are historical administrative records, which include such files as significant legal opinions, regulations, and litigation cases, and historical policy records, which include such files as reports to the President and Congress, research files, directives and operating manuals, investment policy files, and organizational records.

Dated: April 10, 2009.

Michael J. Kurtz,

Assistant Archivist for Records Services—Washington, DC.
