INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-768 (Review)]

Fresh Atlantic Salmon From Chile

AGENCY: United States International Trade Commission.

ACTION: Termination of five-year review.

SUMMARY: The subject five-year review was initiated in June 2003 to determine whether revocation of the antidumping duty order on fresh Atlantic salmon from Chile would be likely to lead to continuation or recurrence of dumping and of material injury to a domestic industry. On July 25, 2003, Commerce published notice of its final results of a

changed circumstances review, in which it decided to revoke the order on fresh Atlantic salmon from Chile, effective July 1, 2001, because "domestic interested parties expressed no interest in the continuation of this order" (68 FR 44043). In light of the revocation of the order, Commerce published notice that it was rescinding its five-year review on fresh Atlantic salmon from Chile on August 13, 2003 (68 FR 48339). Accordingly, pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)), the subject review is terminated.

EFFECTIVE DATE: August 13, 2003.

SUPPLEMENTARY INFORMATION: On

September 5, 2001, the Commission determined not to review a final initial determination finding that respondent Altima Communications, Inc. ("Altima") violated section 337 of the Tariff Act of 1930 in the unlawful importation and sale of certain integrated repeaters covered by various claims of U.S. Patent No. 5,894,410 and U.S. Patent No. 5,742,603, owned by complainant Intel Corporation ("Intel"). On October 24, 2001, the Commission issued a limited exclusion order excluding from entry for consumption into the United States the infringing articles. The President did not disapprove the Commission's determination. See 19 U.S.C. 1337(j)(4).

On August 14, 2003, Intel filed with the Commission a Petition for Rescission of Exclusion Order based on a settlement agreement between Intel and Broadcom Corporation ("Broadcom"), Altima's parent. On August 19, 2003, Altima and Broadcom filed a response, stating that they join in the petition and request rescission. No party opposed the petition. The Commission found that the requirements of Commission rules 210.76(a)(1) and 210.76(a)(2), 19 CFR 210.76(a)(1) and (a)(2), were satisfied, and determined to grant the petition for rescission.

This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337(k), and section 210.76(a) of the Commission's Rules of Practice and Procedure, 19 CFR 210.76(a).

Issued: August 21, 2003.
