ACTION: Notice.

SUMMARY: The BLM issued a Notice of Intent to Plan in a December 19, 2000 **Federal Register** notice. This notice is to inform the public that the scoping period has been extended to January 31, 2001.

BLM is preparing an Oil and Gas Resource Management Plan (RMP) Amendment and Environmental Impact Statement (EIS) jointly with the State of Montana (State). The planning area for the BLM will be the BLM-administered oil and gas estate within the Powder River and Billings RMP areas. The RMP Amendment will be based on the existing statutory requirements and will meet the requirements of the Federal Land Policy and Management Act (FLPMA) of 1976. The RMP Amendment will guide BLM's oil and gas decisions within the Powder River and Billings RMP areas and help the State evaluate effects of further oil and gas permit applications. The Draft EIS and RMP Amendment is scheduled for completion by September 2001. The

Final EIS and Proposed RMP Amendment is scheduled for March 2002.

The public has been asked to help BLM and the State identify issues, concerns and alternatives. Draft Planning Criteria to help guide the effort have also been developed for public comment.

DATES: Any issues, concerns, or alternatives should be submitted to BLM on or before January 31, 2001.
