Request for Comments on the Strategy for American Innovation

AGENCY: Office of the Secretary, Department of Commerce.

ACTION: Notice and request for information.

SUMMARY: The America COMPETES Reauthorization Act of 2010 directs the Department of Commerce (DOC), in consultation with the National Economic Council (NEC), to deliver to Congress a study by January 4, 2011 on our nation's innovative capacity and international competitiveness. Section 604, Public Law No: 111-358. To assist with that effort, the DOC is initiating a series of public engagements, seeking input on a range of policy matters that can affect our innovativeness and competitiveness. The subject area is quite broad. As a starting point, DOC publishes this Notice and Request for Information (RFI) to obtain comment on the Administration's Innovation Strategy (*see* <http://www.Commerce.gov/competes> for a link to the report). This strategy document summarizes policy initiatives that aim to improve our national innovation system, and thereby accelerate our economic growth by increasing the international competitiveness of American businesses and workers. This RFI provides an opportunity for interested parties to discuss those initiatives. In the coming months, DOC will create additional opportunities for the public to comment on a range of related topics, such as those specifically identified in the America COMPETES Reauthorization Act but not mentioned in the Strategy.
