

Europe. The Council has undergone two name changes and several reorganizations. Authorization to continue Council operations has been given at appropriate intervals by subsequent Executive Orders. Authority to continue Council operations was most recently directed by Executive Order 13446, dated September 28, 2007. A program office to support PCPFS activities is located organizationally in the Office of Public Health and Science within the Office of the Secretary, DHHS.

On June 6, 2002, President Bush signed Executive Order 13265 to reestablish the PCPFS. Executive Order 13265 was established to expand the focus of the Council. This directive instructed the Secretary to develop and coordinate a national program to enhance physical activity and sports participation. The Council currently operates under the stipulations of the new directive. The primary functions of the Council include: (1) To advise the President, through the Secretary, on the progress made in carrying out the provisions of the enacted directive and recommend actions to accelerate progress; (2) to advise the Secretary on ways and means to enhance opportunities for participation in physical fitness and sports, and, where possible, to promote and assist in the facilitation and/or implementation of such measures; (3) to advise the Secretary regarding opportunities to extend and improve physical activity/fitness and sports programs and services at the national, state, and local levels; and (4) to monitor the need for the enhancement of programs and educational and promotional materials sponsored, overseen, or disseminated by the Council and advise the Secretary, as necessary, concerning such needs. The PCPFS holds at a minimum, one meeting in the calendar year to (1) assess ongoing Council activities and (2) discuss and plan future projects and programs.

Public attendance at the meeting is limited to space available. Individuals must provide a photo ID for entry into the building. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the designated contact person.
