Abstract of Proposed Collection

The DS-1950 has been the form used by individuals to apply for certain excepted jobs at the Department of State such as Foreign Service specialist positions. We wish to continue to use this form to clarify interpretation of applicant responses and how applicants become aware of our program opportunities. Section 1104 of title 5, United States Code, authorizes OPM to delegate the authority to collect necessary employment information to other agencies, including the Department of State. With respect to Foreign Service Specialist applicants, authority is given under 22 U.S.C. 3926 and 3941.

Methodology

The DS-1950 form will be used by applicants for certain service jobs at the Department of State, such as Foreign Service Specialist and Generalist positions. We are in the process of transitioning the final programs onto the *USAJobs.gov* platform and expect no more than 60 applicants to utilize the DS-1950 this year. Although we are encouraging all programs to use *USAJobs.gov*, we wish to extend the form to ensure we are not in violation under the Paper Reduction Act (PRA) during the transitioning period. Data, which is extracted from the form, is necessary to determine qualifications, salary, and selections, in accordance with Federal policies.

Dated: December 30, 2013.
