Submission for OMB Review; Comment Request

AGENCY: Defense Counterintelligence and Security Agency (DCSA), Department of Defense (DoD).

ACTION: 30-Day information collection notice.

SUMMARY: The DoD has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

DATES: Consideration will be given to all comments received by January 26, 2023.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: FOCI Outside Director/Proxy Holder Nomination Questionnaires; OMB Control Number 0705-0005.

Type of Request: Revision.

Number of Respondents: 250.

Responses per Respondent: 1.

Annual Responses: 250.

Average Burden per Response: 45 minutes.

Annual Burden Hours: 188.

Needs and Uses: This information collection is necessary for DCSA to provide proper monitoring and oversight of companies with Foreign Ownership, Control, or Influence (FOCI) while those companies provide services on a U.S. government contract. In order to mitigate foreign ownership risks, DCSA approves the nomination of Outside Director/Proxy Holder(s) (OD/PH) for specified companies when the mitigation strategy requires their appointment. The OD/PH will be a cleared U.S. citizen, disinterested in the company and its shareholder, who can exercise management prerogative to ensure the foreign owner is effectively insulated from controlling or influencing the management or business of the cleared company in a manner that

could affect its performance on classified contracts. DCSA must collect information from both the company officials nominating individuals for the OD/PH role, as well as the nominees themselves. This information is necessary to verify that all nominated OD/PH are capable of performing their duties effectively at the time of nomination and understand their responsibility in serving an OD/PH role. It also helps DCSA ensure that the FOCI boards are effective in fulfilling their national security and fiduciary responsibilities while under FOCI mitigation. DCSA authority for this information collection can be found in 32 CFR 117, the National Industrial Security Program Operating Manual Rule, which, in part, describes how cleared contractors under FOCI must operate to possess a facility clearance.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
