

Federal Register 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose. The proposed land will be sold in fee (Parcel Right-of-Way) to allow for a new roadway extension to be built. Parcels A, B, and C will be sold in fee as a permanent roadway easement to allow for operational enhancements for Boardman Road. Boardman Road runs approximately parallel to I-94 between Maynard Road and Airport Road, which will be extended with the sale of the stated parcels. This proposed new extension will have the effect of reducing vehicle traffic along the portion of Airport Road that transverses through the Runway Safety Area (RSA) of Runway 24, in turn increasing safety for the airport. The proceeds from the sale of the land will be used for airport improvements and operation expenses at Jackson County-Reynolds Airport.
