

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed rule change establishes WINS, which is a new internet browser-based inquiry management system. WINS will replace PINS as the function that enables DTC participants to submit inquiries regarding their records. WINS will offer many significant improvements over PINS, including streamlining the process for participants to submit and to monitor inquiries and requests, providing easier navigation and date entry,⁴ and having a quicker response time. Additionally, WINS will provide real-time status updates by e-mail. Participants will receive e-mails stating that their inquiry was received, updated, or closed.

Participants will have the ability to access WINS through the Participant Browser System ("PBS"). If a Participant does not have access to PBS, then it will access WINS through DTC's public Web site. Existing PINS users will be given access to WINS automatically and will be able to use their current password. All participant inquiries made before the release of WINS will continue to be processed through PINS. Participants will be able to view those inquiries through the PINS function but will be required to submit all new inquiries through WINS.

DTC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act,⁵ the rules and regulations thereunder. DTC states that the proposed rule change enhances an existing function to provide DTC participants with greater transparency and quicker responses to their inquiries. As such, it is a change to an existing function that will not adversely affect the safeguarding of securities and funds in DTC's control or custody.

B. Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

DTC has not solicited or received written comments relating to the

proposed rule change. DTC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule changes have become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁶ and Rule 19b-4(f)(4)⁷ thereunder because the proposed rule change effects a change in an existing service of DTC that (i) does not adversely affect the safeguarding of securities or funds in DTC's custody or control or for which it is responsible and (ii) does not significantly affect the respective rights of DTC or persons using the service. At any time within sixty days of the filing of such rule changes, the Commission may summarily abrogate such rule changes if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend its Schedule of Fees. The text of the proposed rule change is available on the Exchange's Internet Web site at <http://www.ise.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) *Purpose*—In SR-ISE-2009-26, the Exchange adopted the term 'Singly Listed ETFs' to identify those ETF products that are listed only on ISE and for which the Exchange charges a fee of \$0.18 per contract for customer transactions. Currently, there are only two ETFs that are singly listed on the Exchange, the First Trust ISE Water ETF and the First Trust ISE-Revere Natural Gas ETF, identified on the Exchange's fee schedule by their ticker symbols, FIW and FCG, respectively. FCG was recently listed for trading on another exchange and is therefore no longer singly listed on ISE. As FCG is now a multiply-listed ETF option, ISE will no longer charge a transaction fee for customer orders in this product and the Exchange proposes to remove FCG from its fee schedule. Since options on FCG are now multiply-listed, the Exchange has determined to charge a Payment for Order Flow ("PFOF") fee for this product.

Further, ISE first listed options on the First Trust ISE ChIndia ETF ("FNI") on July 24, 2007.³ At that time, FNI was singly listed on the ISE and thus, ISE did not charge a PFOF fee for transactions in this product. FNI remained singly listed until January 9, 2008 when another exchange began listing options on it. Despite it being multiply-listed, ISE did not charge a PFOF fee for transactions in FNI. ISE

now proposes to charge a PFOF fee for transactions in FNI.

(b) *Basis*—The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁴ in general, and furthers the objectives of Section 6(b)(4),⁵ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act⁶ and Rule 19b-4(f)(2)⁷ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
