

recreationists and motorists from shooting.

Recent incidents involving random target shooting have endangered other users of this area, as well as motorists on the adjacent Glenn Highway. The discharge of fireworks increases the risk of wildfires. In addition, resource damage is occurring from the accumulation of debris and lead contamination. To reduce the incidence of future conflicts and enhance public safety, this area of public land known as the Knik River Access or Gravel Pit Lake, located north of Anchorage, Alaska, is being closed to the discharge of fireworks and discharge of firearms. This area will remain open to lawful hunting by licensed hunters during seasons administered by the Alaska Department of Fish and Game. Shotgun use will be limited to ammunition containing steel or other non-lead shot.

Lands Affected

The affected lands are public lands administered by the Bureau of Land Management, Anchorage Field Office, and are described as follows:

T. 16 N., R. 1 E., Seward Meridian, Alaska
Sec. 10: Lot 6, West of the Alaska Railroad
Sec. 15: Lot 6

This closure notice does not apply to other lands, specifically State or Federal lands, including State lands in the Palmer Hay Flats State Wildlife Refuge.

Withdrawal of Supplementary Rules

The Supplementary Rules published on May 17, 2002 (67 FR 35133), are hereby withdrawn.

Closure Order

1. *Authority:* 43 CFR 8364.1.
2. *Closure:* The following described lands are closed to discharge of fireworks and to the discharge of firearms except by licensed hunters during seasons designated and administered by the Alaska Department of Fish and Game:

T. 16 N., R. 1 E., Seward Meridian, Alaska
