A complete electronic docket containing all comments submitted will be available on the NIOSH Web page at <http://www.cdc.gov/niosh/docket>, and comments will be available in writing by request. NIOSH includes all comments received without change in the electronic docket, including any personal information.

Background: The National Institute for Occupational Safety and Health (NIOSH) currently leads a nationwide initiative called Prevention through Design (PtD). PtD addresses occupational safety and health needs by eliminating hazards and minimizing risks to workers throughout the life cycle of work premises, tools, equipment, machinery, substances, and work processes including their construction, manufacture, use, maintenance, and ultimate disposal or re-use. The strategic plan outlined in this technical report establishes goals for the successful implementation of the PtD Plan for the National Initiative. This comprehensive approach, which includes worker health and safety in all aspects of design, redesign and retrofit, will provide a vital framework for saving lives and preventing work-related injuries and illnesses.

This guidance document does not have the force and effect of law.
