### Modified Policy on Freedom of Information Act Disclosure of Amounts Paid to Individual Physicians Under the Medicare Program

**AGENCY:** Centers for Medicare & Medicaid Services (CMS), HHS.

**ACTION:** Notice.

**SUMMARY:** This notice sets forth a new policy regarding requests made under the Freedom of Information Act for information on amounts paid to individual physicians under the Medicare program in which CMS will make case-by-case determinations as to whether exemption 6 of the Freedom of Information Act applies to a given request for such information.

**DATES:** This notice is effective on March 18, 2014.

**FOR FURTHER INFORMATION CONTACT:** Grace Im (202) 260-6770.

#### SUPPLEMENTARY INFORMATION:

#### I. Background

In a previous policy on the disclosure of amounts paid to individual physicians under the Medicare program, which was set forth in the November 28, 1980 **Federal Register** (45 FR 79172), the Secretary of the Department of Health, Education, and Welfare (which later became the Department of Health and Human Services (the Department)) stated that, in considering the two competing interests of public transparency and privacy, the public interest in the Department's disclosure of the amounts that had been paid to individual physicians under the Medicare program was not sufficient to compel disclosure under the Freedom of Information Act. The policy change was premised on two courts having found a compelling privacy interest on the part of the physicians. *See, Florida Medical Association, Inc., et al. v. Department of Health, Education, and Welfare, et al.* (M.D. Fla. 1979) and *The American Staffs of Private Hospitals, Inc., et al. v. Health Care Financing Administration, et al.* (E.D. La. 1980). However, the policy was expressly published in response to the *Florida Medical Association* district court's issuance of a permanent injunction, which barred the Department of Health, Education, and Welfare from disclosing identifiable annual Medicare reimbursement payments of individual physicians or disclosure of payments in a manner that could identify individual physicians.
