Full Text of Announcement

I. Funding Opportunity Description

Purpose Of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priority: In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from

allowable activities specified in the statute (see sections 661(e)(2) and 683 of the Individuals with Disabilities Education Act (IDEA)).

Absolute Priority: For FY 2004 this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

Background: The purpose of this priority is to support community training and information centers in targeted communities that will help ensure that underserved parents of children with disabilities, including low-income parents, parents of children who are English language learners, and parents with disabilities in a community, have the training and information they need to enable them to participate effectively in helping their children with disabilities to —

(a) Meet established developmental goals and challenging standards that have been established for all children; and

(b) Prepare to lead productive adult lives, as independently as possible.

Priority: Each community parent training and information center supported under this priority must—

(a) Provide training and information that meets the training and information needs of parents of children with disabilities within the targeted community proposed to be served by the project, particularly underserved parents and parents of children who may be inappropriately identified;

(b) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under section 615 of IDEA, including encouraging the use, and explaining the benefits, of alternative methods of dispute resolution, such as the mediation process described in IDEA;

(c) Serve the parents of infants, toddlers, and children with the full range of disabilities by assisting parents to—

(1) Better understand the nature of their children's disabilities and their educational and developmental needs;

(2) Communicate effectively with personnel responsible for providing special education, early intervention, and related services;

(3) Participate in decisionmaking processes regarding participation in State and local assessments and the development of individualized education programs and individualized family service plans;

(4) Obtain appropriate information about the range of options, programs, services, and resources available to assist children with disabilities and their families;

(5) Familiarize themselves with the provision of special education and related services in the areas they serve to help ensure that children with disabilities are receiving appropriate services;

(6) Understand the provisions of IDEA and the No Child Left Behind Act of 2001 (NCLB) for the education of, and the provision of early intervention services designed to improve results to, children with disabilities; and

(7) Participate in school reform activities;

(d) Contract with the State educational agencies (SEAs), if the State elects to contract with the community parent resource centers, for the purpose of meeting with parents who choose not to use the mediation process to encourage the use, and explain the benefits, of mediation, consistent with section 615(e)(2)(B) and (D) of IDEA;

(e) In order to serve parents and families of children with the full range of disabilities, network with appropriate clearinghouses, including organizations conducting national dissemination activities under section 685(d) of IDEA, and with other national, State, and local organizations and agencies, such as protection and advocacy agencies;

(f) Establish cooperative partnerships with the parent training and information centers funded under section 682 of IDEA;

(g) Meet the unique needs of families who experience significant isolation from available sources of information and support;

(h) Annually report to the Department on—

(1) The number of parents to whom it provided information and training in the most recently concluded fiscal year, including demographic information about those parents served, and additional information regarding the unique needs and levels of service provided;

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively; and

(i) In collaboration with the Office of Special Education Programs and the National Parent Technical Assistance Center, participate in the annual program evaluation for the community parent resource centers, which will include a review of the degree to which the center is meeting the objectives of the program.

(j) Prior to developing any new product, whether paper or electronic, submit for approval a proposal describing the content and purpose of

the product to the document review board of the Office of Special Education Programs' (OSEP) Dissemination Center.

Competitive Preference Priorities:

Within this absolute priority, we give competitive preference to applications that address the following priorities.

These priorities are from the program statute (see section 683 of IDEA).

Under 34 CFR 75.105(c)(2)(i) we award additional points to an application depending on whether the application meets one or more of these priorities:

These priorities are:

(a) We will award 20 points to an application submitted by a local parent organization that has a board of directors, the majority of whom are parents of children with disabilities, from the community to be served (section 683(c)(1) of IDEA).

(b) We will award 5 points to an application that proposes to provide services to one or more Empowerment Zones or Enterprise Communities that are designated within the areas served by projects. To meet this priority an applicant must indicate that it will—

(1)(i) Design a program that includes special activities focused on the unique needs of one or more Empowerment Zones or Enterprise Communities; or

(ii) Devote a substantial portion of program resources to providing services within, or meeting the needs of residents of these zones and communities.

(2) As appropriate, contribute to the strategic plan of the Empowerment Zones or Enterprise Communities and become an integral component of the Empowerment Zone or Enterprise Community activities.

A list of areas that have been selected as Empowerment Zones or Enterprise Communities can be found at http://hud.esri.com/egis/cpd/rcezec/ezec_open.htm.

Therefore, for purposes of these competitive preferences, applicants can be awarded up to a total of 25 points in addition to those awarded under the published selection criteria for this priority. That is, an applicant meeting all of these competitive preferences could earn a maximum total of 125 points.

Waiver of Proposed Rulemaking:

Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities. However, section 661(e)(2) of IDEA makes the public comment requirements inapplicable to the priorities in this notice.

Program Authority: 20 U.S.C. 1483.

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 97, 98, and 99.
