UGI Utilities, Inc.; Notice of Filing

May 25, 2007.

Take notice that on May 18, 2007, UGI Utilities, Inc. ("UGI"), submitted a request for a one-time change of its requirement to report in the format prescribed by the Regulations. UGI Utilities requests that it be allowed to submit its FERC financial statements and accompanying CPA Certification with respect to its 2006-07 fiscal year, rather than submit a CPA Certification with respect to its 2006 calendar-year financial statements included with the company's 2006 annual report FERC Form 1-F. In the event the Commission denies the above request, UGI Utilities asks that it be granted an extension of time to file a CPA certification with respect to its 2006 calendar year financial statements. Each utility is required to close its books at the end of each calendar year under the General Instructions in Section 101 of the Commission's regulations.
