## I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to extend, to April 24, 2023, the implementation date of the amendments to FINRA Rule 4210 (Margin Requirements) pursuant to SR-FINRA-2015-036, other than the amendments pursuant to SR-FINRA-2015-036 that were implemented on December 15, 2016. The proposed rule change would not make any changes to the text of FINRA rules.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

On October 6, 2015, FINRA filed with the Commission proposed rule change SR-FINRA-2015-036, which proposed to amend FINRA Rule 4210 to establish margin requirements for (1) To Be Announced ("TBA") transactions, inclusive of adjustable rate mortgage ("ARM") transactions; (2) Specified Pool Transactions; and (3) transactions in Collateralized Mortgage Obligations ("CMOs"), issued in conformity with a program of an agency or Government-Sponsored Enterprise ("GSE"), with forward settlement dates, as defined more fully in the filing (collectively, "Covered Agency Transactions"). The Commission approved SR-FINRA-2015-036 on June 15, 2016 (the "Approval Date").<sup>4</sup>

<sup>4</sup> See Securities Exchange Act Release No. 78081 (June 15, 2016), 81 FR 40364 (June 21, 2016) (Notice of Filing of Amendment No. 3 and Order Granting Accelerated Approval to a Proposed Rule Change to Amend FINRA Rule 4210 (Margin Requirements) to

Pursuant to Partial Amendment No. 3 to SR-FINRA-2015-036, FINRA announced in *Regulatory Notice* 16-31 that the rule change would become effective on December 15, 2017, 18 months from the Approval Date, except that the risk limit determination requirements as set forth in paragraphs (e)(2)(F), (e)(2)(G) and (e)(2)(H) of Rule 4210 and in new Supplementary Material .05, each as respectively amended or established by SR-FINRA-2015-036 (collectively, the "risk limit determination requirements"), would become effective on December 15, 2016, six months from the Approval Date.<sup>5</sup>

Industry participants sought clarification regarding the implementation of the requirements pursuant to SR-FINRA-2015-036. Industry participants also requested additional time to make system changes necessary to comply with the requirements, including time to test the system changes, and requested additional time to update or amend margining agreements and related documentation. In response, FINRA made available a set of Frequently Asked Questions & Guidance<sup>6</sup> and, pursuant to SR-FINRA-2017-029,<sup>7</sup> extended the implementation date of the requirements of SR-FINRA-2015-036 to June 25, 2018, except for the risk limit determination requirements, which, as announced in *Regulatory Notice* 16-31, became effective on December 15, 2016.

Industry participants requested that FINRA reconsider the potential impact of certain requirements pursuant to SR-FINRA-2015-036 on smaller and mid-sized firms. Industry participants also requested that FINRA extend the implementation date pending such

reconsideration. In response to these concerns, FINRA further extended the implementation date of the requirements of SR-FINRA-2015-036, other than the risk limit determination requirements, most recently to October 26, 2022 (the "October 26, 2022 implementation date"),<sup>8</sup> and, informed by extensive dialogue, both with industry participants and other regulators, including the staff of the SEC and the Federal Reserve System, FINRA proposed amendments to the requirements of SR-FINRA-2015-036 (the "Proposed Amendments").<sup>9</sup>

The SEC, pursuant to delegated authority, approved the Proposed Amendments on January 20, 2022;<sup>10</sup> however, the Commission has stated that, in accordance with Rule 431(e) of the Commission's Rules of Practice, the delegated action approving the Proposed Amendments is stayed until the Commission orders otherwise (the "stay").<sup>11</sup> FINRA believes it is appropriate, in the interest of regulatory clarity pending the stay, to adjust the implementation of the requirements pursuant to SR-FINRA-2015-036. As such, FINRA is proposing to extend the October 26, 2022 implementation date to April 24, 2023. FINRA notes that the stay on the delegated action approving the Proposed Amendments applies only

to the Proposed Amendments and does not affect the amendments approved pursuant to SR-FINRA-2015-036. FINRA further notes that the risk limit determination requirements pursuant to SR-FINRA-2015-036 became effective on December 15, 2016, and, as such, are not affected by the proposed rule change.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing. The operative date will be the date of filing of the proposed rule change.

## 2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>12</sup> which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. FINRA believes that the proposed rule change serves the interest of regulatory clarity in the Covered Agency Transaction market pending the stay. FINRA believes that this will thereby protect investors and the public interest by helping to promote stability in the Covered Agency Transaction market.

### B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA believes that extending the October 26, 2022 implementation date to April 24, 2023, pending the stay, will help to provide clarity to industry participants and to promote stability in the Covered Agency Transaction market, thereby benefiting all parties.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant

burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>13</sup> and Rule 19b-4(f)(6) thereunder.<sup>14</sup>

A proposed rule change filed under Rule 19b-4(f)(6)<sup>15</sup> normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>16</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. FINRA has requested that the Commission waive the 30-day operative delay so that the proposal may become operative upon filing. FINRA has stated that the proposed rule change will help to provide clarity to industry participants and to promote stability in the Covered Agency Transaction market pending further Commission Action on the Proposed Amendments.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposal to extend the implementation date of the amendments to Rule 4210 pursuant to SR-FINRA-2015-036 (other than the amendments pursuant to SR-FINRA-2015-036 that were implemented on December 15, 2016) does not raise any new or novel issues and will reduce any potential uncertainty in the Covered Agency Transaction market. Therefore, the Commission hereby waives the 30-day operative delay requirement and designates the proposed rule change as operative upon filing.<sup>17</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

## IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

FINRA has satisfied this requirement.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95457; File No. SR-CboeBZX-2022-041]

### Self-Regulatory Organizations; Cboe BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule

August 9, 2022.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 1, 2022, Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe BZX Exchange, Inc. (the “Exchange” or “BZX”) proposes to amend its fee schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website ([http://markets.cboe.com/us/equities/regulation/rule\\_filings/bzx/](http://markets.cboe.com/us/equities/regulation/rule_filings/bzx/)), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set

forth in sections A, B, and C below, of the most significant aspects of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend its Fee Schedule applicable to its equities trading platform (“BZX Equities”) by eliminating the Supplemental Incentive Program under Footnote 1 (Add/Remove Volume Tiers). The Exchange proposes to implement these changes effective August 1, 2022.

The Exchange first notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. More specifically, the Exchange is only one of 16 registered equities exchanges, as well as a number of alternative trading systems and other off-exchange venues that do not have similar self-regulatory responsibilities under the Securities Exchange Act of 1934 (the “Act”), to which market participants may direct their order flow. Based on publicly available information,<sup>3</sup> no single registered equities exchange has more than 16% of the market share. Thus, in such a low-concentrated and highly competitive market, no single equities exchange possesses significant pricing power in the execution of order flow. The Exchange in particular operates a “Maker-Taker” model whereby it pays rebates to members that add liquidity and assesses fees to those that remove liquidity.

The Exchange’s Fee Schedule sets forth the standard rebates and rates applied per share for orders that provide and remove liquidity, respectively. Currently, for orders in securities priced at or above \$1.00, the Exchange provides a standard rebate of \$0.00160 per share for orders that add liquidity and assesses a fee of \$0.0030 per share for orders that remove liquidity. For orders in securities priced below \$1.00, the Exchange does not provide a rebate or assess a fee for orders that add liquidity and assesses a fee of 0.30% of total dollar value for orders that remove liquidity. Additionally, in response to the competitive environment, the Exchange also offers tiered pricing, which provides Members with

opportunities to qualify for higher rebates or lower fees where certain volume criteria and thresholds are met. Tiered pricing provides an incremental incentive for Members to strive for higher tier levels, which provides increasingly higher benefits or discounts for satisfying more stringent criteria.

#### Supplemental Incentive Program

Pursuant to footnote 1 of the Fee Schedule, the Exchange currently offers three Supplemental Incentive Program tiers—one tier each for Fee Codes B<sup>4</sup>, V,<sup>5</sup> and Y.<sup>6</sup> Each tier provides an additional enhanced rebate for Members that add a certain Tape ADAV<sup>7</sup> as a percentage of that Tape’s TCV.<sup>8</sup> The Exchange no longer desires to maintain such tiers and therefore proposes to eliminate the Supplemental Program Incentive tiers for Tapes A, B, and C from the fee schedule. The Exchange would rather redirect future resources and funding into other programs and tiers intended to incentivize increased order flow.

##### 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>9</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>10</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with

<sup>5</sup> Orders yielding Fee Code “V” are displayed orders adding liquidity to BZX (Tape A).

<sup>6</sup> Orders yielding Fee Code “Y” are displayed orders adding liquidity to BZX (Tape C).

<sup>7</sup> “ADAV” means average daily added volume calculated as the number of shares added per day and is calculated on a monthly basis.

<sup>8</sup> “TCV” means total consolidated volume calculated as the volume reported by all exchanges and trade reporting facilities to a consolidated transaction reporting plan for the month for which the fees apply.
