RIN 0605-AA22

Disclosure of Government Information; Responsibility for Responding to Freedom of Information Act Requests

AGENCY: Department of Commerce.

ACTION: Final rule.

SUMMARY: The Department of Commerce (Commerce) publishes this action to finalize its interim final rule that established the date that the Department uses in identifying those records that it may consider when responding to a Freedom of Information Act request. The Department takes this action pursuant to a court order that enjoined it from further use of its regulations.

DATES: This rule is effective on May 31, 2007.

FOR FURTHER INFORMATION CONTACT: Brenda Dolan, 202-482-3258.

SUPPLEMENTARY INFORMATION: On June 1, 2006, the Department of Commerce published and requested comments on an interim final rule that amended its regulations to establish the date that the Department uses in identifying those records that it may consider when responding to a Freedom of Information Act request (71 FR 31073). The interim final rule revised the regulations to state that the records that are considered responsive to a FOIA request include those records that are within the Department's possession and control as of the date the Department begins its search for those records. We received no public comments on the interim final rule. Therefore, the provisions of the interim final rule published on June 1, 2006 are adopted without change.

Classification

It has been determined that this notice is not significant for purposes of E.O. 12866.

The Department finds good cause to waive the 30-day delay in effectiveness required by 5 U.S.C. 553(d)(3). In order to implement, in a timely manner, the Department's new regulation that establishes the date that the Department uses in identifying those records that it may consider when responding to a request for records, the Department waives the 30-day delay in

effectiveness. If the Department delayed the effectiveness of this action, the Department would violate an April 24, 2006 court order that requires the Department to no longer use the regulations. To ensure timely compliance with the Court's order, the Department makes this rule effective upon publication.

Dated: May 23, 2007.

Brenda Dolan,

Departmental Freedom of Information and Privacy Act Officer.

SUPPLEMENTARY INFORMATION:

Regulatory Information

On March 19, 2007, we published a Notice of proposed rulemaking (NPRM) entitled Special Local Regulations for Marine Events; Sail Virginia 2007, Port of Hampton Roads, Virginia in the **Federal Register** (72 FR 12746). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, support craft and other vessels transiting the event area. However, advance notifications will be made to affected waterway users via marine information broadcasts, area newspapers, and local radio stations.

This event will be combined with the annual Norfolk Harborfest held each June.

The parade of sails event planned during this period will be conducted on the waters of the Chesapeake Bay, Hampton Roads the Elizabeth River and Norfolk Harbor, Virginia.
