

The Department will also closely monitor the extent to which the products and services provided by the Center meet needs identified by stakeholders and may require the Center to report on such alignment in their annual and final performance reports.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, whether the grantee has made substantial progress in achieving the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

As a condition of receiving a grant of funds under the Migrant Education Program (MEP), each State educational agency (SEA) is required to collect, maintain, and submit minimum health and education-related data to MSIX within established timeframes. MSIX is designed to facilitate timely school enrollment, grade and course placement, accrual of secondary course credits and participation in the MEP for migratory children. Additionally, the regulations help the Department to determine accurate migratory child counts and meet other MEP reporting requirements. The MEP is authorized under sections 1301-1309 in Title I, Part C of the ESEA, as amended. MSIX and the minimum data elements (MDEs) are authorized specifically under section 1308(b) of the ESEA, as amended.

The Department is requesting approval to extend the 1810-0686 information collection that supports statutory requirements for data collection under Title I, Part C—MEP. The purpose of the MSIX User Application Form is to collect user directory data to verify the identity of users in order to grant access to the MSIX system for the purpose of transferring migratory student data. The application collects information on an MSIX users' identity, title/position, work address, work telephone, email, and role in MSIX.

ACTION: Notice.

SUPPLEMENTARY INFORMATION:

I. Award Information

Type of Award: Formula grant.

Available Funds: The Administration has requested \$107,500,000 for SRSA in FY 2024. The actual level of funding depends on final congressional action. However, we are inviting applications to

allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$0–\$60,000.

Note: The amount of an LEA's award depends on the number of eligible LEAs in a given year, the number of eligible LEAs that complete the SRSA application, and the amount Congress appropriates for the program. Some eligible LEAs may receive an SRSA allocation of \$0 due to the statutory funding formula and, in that case, will not be invited to submit an application.

Estimated Number of Awards: 4,200.

II. Program Authority and Eligibility Information

Under what statutory authority will FY 2024 SRSA grant awards be made?

The FY 2024 SRSA grant awards will be made under title V, part B, subpart 1 of the Elementary and Secondary Education Act of 1965 (ESEA), 20 U.S.C. 7345–7345a.

Which LEAs are eligible for an award under the SRSA program?

For FY 2024, an LEA (including a public charter school that meets the definition of LEA in section 8101(30) of the ESEA) is eligible for an award under the SRSA program if it meets both criteria below:

(a) The total number of students in average daily attendance at all schools served by the LEA is fewer than 600, or each county in which a school served by the LEA is located has a total population density of fewer than 10 persons per square mile; and

(b) All schools served by the LEA are designated with a school locale code of 41, 42, or 43 by the Department's National Center for Education Statistics (NCES), or the Secretary has determined, based on a demonstration by the LEA and concurrence of the State educational agency, that the LEA is located in an area defined as rural by a governmental agency of the State.

The Department provides an eligibility spreadsheet listing each LEA eligible to apply for FY 2024 SRSA grant funds. The spreadsheet is available on the Department's website at: <https://oese.ed.gov/offices/office-of-formula-grants/rural-insular-native-achievement-programs/rural-education-achievement-program/small-rural-school-achievement-program/eligibility/>.

If an LEA on the Department's list of LEAs eligible to apply for an FY 2024 SRSA award will close prior to the 2024–2025 school year, that LEA is not eligible to receive an FY 2024 SRSA award and should not apply.

Note: The “Choice of Participation” provision under section 5225 of the ESEA gives an LEA eligible for both SRSA and the Rural and Low-Income School (RLIS) program, which is authorized under title V, part B, subpart 2 of the ESEA, the option to participate in either the SRSA program or the RLIS program. 20 U.S.C. 7351d. An LEA eligible for both SRSA and RLIS is henceforth referred to as a “dual-eligible LEA.”

Which eligible LEAs must submit an application to receive an FY 2024 SRSA grant award?

Under 34 CFR 75.104(a), the Secretary makes a grant only to an eligible entity that submits an application.

In FY 2024, each LEA eligible to receive an SRSA award is required to submit an SRSA application in order to receive SRSA funds, regardless of whether the LEA received an award or submitted an application in a previous year. For example, if a rural community has two distinct LEAs—one composed of its elementary school(s) and one composed of its high school(s)—each distinct LEA must submit its own SRSA application. This requirement applies to all eligible LEAs, including each dual-eligible LEA that chooses to participate in the SRSA program instead of the RLIS program and each SRSA-eligible LEA that is a member of an educational service agency (ESA) that does not receive SRSA funds on the LEA's behalf. In the case of an SRSA-eligible LEA that is a member of an SRSA-eligible ESA, the LEA and ESA must coordinate directly with each other to determine which entity will submit an SRSA application on the LEA's behalf, as both entities may not apply for or receive SRSA funds for the LEA. As noted above, pursuant to section 5225 of the ESEA, a dual-eligible LEA that applies for SRSA funds may not receive an RLIS award.

What are the Unique Entity Identification (UEI) number requirements for the SRSA program?

As required by 2 CFR part 25, appendix A, entities receiving funds from the Federal Government, including SRSA-eligible LEAs that apply for an SRSA award, must maintain current entity information in the System for Award Management (SAM). SAM is the Federal Government's primary registrant database and is managed by the General Services Administration, not the Department of Education. The UEI, a 12-character alphanumeric code, is the primary means of entity identification for Federal awards.
