be advised that they can register a comment or concern about communication accommodation issues via a designated email address and/or through a toll-free number or other device provided by the call center. Deaf and hard of hearing Postal Service employees will further be advised that use of the email address and toll-free number or device to register a comment or concern does not affect their rights to file a grievance or complaint in any other process, nor does it serve as initial contact for any other process such as a grievance or EEO pre-complaint processing pursuant to 29 CFR 1614.105. The Disability Program Manager will provide qualifying deaf and hard of hearing employees and applicants with information regarding how to contact the ombudsperson. Such individuals may register a comment or concern about communication and accommodation issues they have experienced in the workplace or during their employment application process with the Postal Service. To be able to identify and address specific comments and/or concerns, individuals will be asked to supply information specific to them, such as their name, residential addresses, and identification numbers such as their Employee Identification Number (EIN) or Applicant Identification Number (AIN). If necessary, the Ombudsperson will investigate the comments and/or concerns in order to make an independent assessment.

II. Rationale for Changes to USPS Privacy Act Systems of Records

Currently, Postal Service system of records 100.900 Employee Inquiry, Complaint, and Investigative Records does not explicitly permit the Postal Service to collect AINs or retrieve records by AINs or EINs. The system of records 100.900 is being modified to account for the collection of applicant identification numbers from applicants who file an inquiry or complaint with the ombudsperson via the call center or designated email address. Additionally, to facilitate the record location process, retrievability is being updated to include Employee Identification Numbers and Applicant Identification Numbers.

III. Description of Changes to Systems of Records

The Postal Service is modifying one system of records listed below. Pursuant to 5 U.S.C. 552a(e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed modifications has been sent to Congress

and to the Office of Management and Budget for their evaluation. The Postal Service does not expect this amended notice to have any adverse effect on individual privacy rights. The affected systems are as follows:

USPS 100.900

SYSTEM NAME:

Employee Inquiry, Complaint, and Investigative Record.

Accordingly, for the reasons stated, the Postal Service proposes changes in the existing system of records as follows:

USPS 100.900

SYSTEM NAME:

Employee Inquiry, Complaint, and Investigative Record

CATEGORIES OF RECORDS IN THE SYSTEM
