DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

[OMB No. 0970–0497]

Proposed Information Collection Activity; Personal Responsibility Education Program (PREP)—Extension

AGENCY: Office of Planning, Research, and Evaluation (OPRE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS).

ACTION: Request for public comments.

SUMMARY: OPRE and the Family and Youth Services Bureau (FYSB) in ACF request an extension to a currently approved information collection of performance measures data for the PREP Program (OMB No. 0970–0497; expiration date: 06/30/2023). The purpose of the request is to (1) continue the ongoing data collection and submission of the performance measures by PREP grantees and (2) eliminate the requirement for grantees

to aggregate participant survey data to the program level for submission.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing OPREinfocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: This notice is specific to a request for an extension of data collection activities for the PREP Performance Measures Study component, which includes collection and analysis of performance measure data from State PREP (SPREP), Tribal PREP (TPREP), Competitive PREP (CPREP), and Personal Responsibility Education Innovative Strategies (PREIS) grantees. PREP grants support evidence-based programs to reduce teen pregnancy and sexually transmitted infections. The programs are required to provide education on both abstinence and contraceptive use and to offer information on adulthood preparation subjects. Data will be used to determine if the PREP grantees are meeting their programs’ mission and priorities. This request includes revisions to the program-level data collection forms (Instruments 3 and 4) to no longer require grantees to aggregate participant survey data to the program level for submission.

Respondents: SPREP, TPREP, CPREP, and PREIS grantees; their subrecipients; and program participants.

Administration for Children and Families

Proposed Information Collection Activity; Operation Allies Welcome Afghan Supplement Survey (New Collection)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S. Department of Health and Human Services is proposing to collect data for a new Operation Allies Welcome (OAW) Afghan Supplement Survey.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing infocollection@acf.hhs.gov. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Under the Afghanistan Supplemental Appropriations Act, 2022, and Additional Afghanistan Supplemental Appropriations Act, 2022, Congress authorized ORR to provide resettlement assistance and other benefits available to refugees to specific Afghan populations in response to their emergency evacuation and resettlement. The OAW Afghan Supplement Survey is a sample survey of Afghan households entering the United States under OAW, collecting both household- and individual-level information. It will generate nationally representative data on OAW Afghans' well-being, integration outcomes, and progress towards self-sufficiency. Data collected will help ORR and service providers better understand the impact of services and on-going service needs of OAW Afghan populations.

Respondents: OAW Afghan populations.
