SUPPLEMENTARY INFORMATION:**Postponement of Final Determination**

On April 19, 2007, the Department of Commerce (the Department) initiated the antidumping duty investigations of Glycine from India, Japan, and the Republic of Korea. See *Glycine from India, Japan, and the Republic of Korea: Initiation of Antidumping Duty Investigations*, 72 FR 20816 (April 26, 2007). The notice of initiation stated that the Department would issue its preliminary determinations for these investigations no later than 140 days after the date of initiation (*i.e.*, September 6, 2007), unless postponed, in accordance with section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act). On August 23, 2007, in response to a timely request from the petitioner, Geo Speciality Chemicals, Inc., we postponed the preliminary determination to October 26, 2007. See *Glycine from India: Postponement of Preliminary Determination of Antidumping Duty Investigation*, 72 FR 48257 (August 23, 2007). On October 26, 2007, and November 1, 2007, we issued our affirmative preliminary and amended preliminary determinations in this investigation, respectively. See *Notice of Preliminary Determination of Sales at Less Than Fair Value: Glycine from India*, 72 FR 62827 (November 7, 2007), and *Notice of Amended Preliminary Determination of Sales at Less Than Fair Value: Glycine from India*, 72 FR 62826 (November 7, 2007).

On November 2, 2007, and November 9, 2007, Paras Intermediates Pvt. Ltd. (Paras), the only respondent that received a calculated rate in the preliminary determination of this investigation, made timely requests for a postponement of the final

determination pursuant to section 735(a)(2) of the Act and extension of provisional measures with respect to glycine from India. See also 19 CFR 351.210(b)(2)(ii) and 19 CFR 351.210(e)(2). Paras requested postponement of the final determination in order to allow sufficient time to prepare for verification and to ensure the Department adequate time to conduct its verification, which was scheduled originally during a period which coincided with an important Indian holiday.

For the reasons identified by Paras and because there are no compelling reasons to deny the request, the Department is postponing the deadline for the final determination with respect to India under section 735(a)(2) of the Act to 135 days after the date on which the preliminary determination was published. The date of the final determination will be no later than March 21, 2008. The Department is also extending the provisional measures accordingly.

This notice is issued and published pursuant to sections 735(a)(2) and 771(i)(1) of the Act and 19 CFR 351.210(g).

Dated: November 30, 2007.

SUMMARY: In response to requests from United States Steel Corporation (petitioner), Nucor Corporation (Nucor), and G Steel Public Company Limited (G Steel), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products (hot-rolled steel) from Thailand. With regard to the two Thai companies that are subject to this administrative review, G Steel and Nakornthai Strip Mill Public Company Limited (NSM), we preliminarily determine that sales of

subject merchandise produced by G Steel have not been made at less than normal value (NV) and that NSM did not have any shipments, entries, or sales of subject merchandise during the period of review (POR). Therefore, this administrative review covers imports of subject merchandise produced and exported by G Steel, and we are preliminarily rescinding the review with respect to NSM. For a full discussion of the intent to rescind with respect to NSM, see the "Notice of Intent to Rescind in Part" section of this notice below. We invite interested parties to comment on these preliminary results. Parties that submit comments are requested to submit with each argument (1) a statement of the issue(s), (2) a brief summary of the argument(s), and (3) a table of authorities.
