Affirmatively Furthering Fair Housing and Fair Housing Plans; Notice of Informal Meeting

AGENCY: Office of the Assistant Secretary for Fair Housing and Equal Opportunity, HUD.

ACTION: Notice.

SUMMARY: This notice advises the public of an informal meeting that HUD intends to hold for the purpose of obtaining individual views and gathering information on specific issues related to HUD's intended development of a proposed rule concerning the obligation to affirmatively further fair housing. The issues for which HUD seeks input are primarily directed to improving HUD's oversight of recipients' implementation of the duty

to affirmatively further fair housing. HUD specifically invites to this meeting representatives of fair housing and civil rights organizations, State and local governments, public housing agencies, private and public housing providers, lending institutions, and other interested members of the public.

Date and Location of Meeting: The meeting will be held on Wednesday, July 22, 2009, from 2 p.m. to 4 p.m. EDT, at HUD Headquarters, in Suite A of the Brooke-Mondale Auditorium, first floor of the Robert Weaver Building (HUD Headquarters), 451 7th Street, SW., Washington, DC 20410.

Persons with hearing or speech impairments may access this telephone number via TTY by calling the toll-free Federal Information Relay Service at 800-877-8339.

SUPPLEMENTARY INFORMATION: A central part of HUD's mission is to ensure nondiscrimination in its programs and to promote fair and equal opportunities for all individuals. - How can the existing process be improved;
- What documentation recipients currently use to demonstrate compliance with affirmatively furthering fair housing requirements and to support their certifications to affirmatively further fair housing;
- What factors should be included in an analysis of impediments for fair housing choice (AI);
- How often should the AIs be updated, while not creating undue burden;
- What are the advantages and disadvantages of creating a regional approach to affirmatively further fair housing; and
- What can communities and public housing agencies do to reduce housing segregation and increase housing

opportunities for protected classes under the Federal housing civil rights laws.

The views, suggestions, and information provided at the July 22, 2009, informal meeting will inform HUD as it considers changes to improve HUD's guidance to grantees and enhance HUD's regulatory oversight.
