SUPPLEMENTARY INFORMATION:

I. Funding Opportunity Description

Purpose of Program: The purpose of the Disability Innovation Fund (DIF) Program, as provided by the Consolidated Appropriations Act, 2021 (Pub. L. 116-260), is to support innovative activities aimed at increasing CIE as defined in section 7 of the Rehabilitation Act of 1973 (Rehabilitation Act) (29 U.S.C. 705(5)), for youth and other individuals with disabilities.

The purpose of this competition is to increase the opportunity for SWTCIE program participants—students and youth with disabilities seeking subminimum wage employment and potential VR program applicants or VR-eligible individuals with disabilities who are employed or contemplating employment at subminimum wage—to obtain CIE, defined in section 7(5) of the Rehabilitation Act of 1973 (Rehabilitation Act) and in the *Definitions* section of this notice. To achieve this purpose, projects funded under this priority will create innovative models, for dissemination and replication, to: (1) Identify strategies for addressing challenges associated with access to CIE (*e.g.*, transportation, support services); (2) provide integrated services that support CIE; (3) support integration into the community through CIE; (4) identify and coordinate wraparound services for any individual served by the project who obtains CIE;
