Section 19(b) of the Exchange Act to file proposed rule changes relating to the rules incorporated by reference, has identified the applicable originating SRO(s), together with the rules it wants to incorporate by reference, and otherwise has complied with the procedural requirements set forth in the Commission's release governing procedures for requesting exemptive orders pursuant to Rule 0–12 under the Exchange Act;

- The incorporating SRO has requested incorporation of categories of rules (rather than individual rules within a category) that are not trading rules (e.g., the SRO has requested incorporation of rules such as margin, suitability, or arbitration); and
- The incorporating SRO has reasonable procedures in place to provide written notice to its members each time a change is proposed to the incorporated rules of another SRO.¹⁰

The Exchange has satisfied each of these conditions. Moreover, granting LTSE an exemption from the rule filing requirements under Section 19(b) of the Exchange Act will promote efficient use of Commission and Exchange resources by avoiding duplicative rule filings based on simultaneous changes to identical rule text sought by more than one SRO.11 The Commission therefore finds it appropriate in the public interest, and consistent with the protection of investors, to exempt the Exchange from the rule filing requirements under Section 19(b) of the Exchange Act with respect to the abovedescribed rule the Exchange has incorporated by reference.

Accordingly, it is ordered, pursuant to Section 36 of the Exchange Act,12 that LTSE is exempt from the rule filing requirements of Section 19(b) of the Exchange Act with respect to a change to LTSE Rule 2.154 resulting solely from changes made to FINRA Rule 1240 without the need for LTSE to separately file, pursuant to Section 19(b) of the Exchange Act, a proposed rule change similar to the one filed by FINRA, provided that LTSE promptly provides written notice to its members whenever a change is proposed to FINRA Rule 1240, and provided that it informs its members in writing when the Commission approves any such proposed change.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority, 13

Sherry R. Haywood,

Assistant Secretary.
