SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on May 22, 2015, based on a complaint filed by Baxter International Inc. of Deerfield, Illinois; Baxter Healthcare Corporation of Deerfield, Illinois; and Baxter Healthcare SA of Glattpark, Switzerland ("Baxter"). 80 FR 29745 (May 22, 2015). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain recombinant factor VIII products by reason of infringement of certain claims of U.S. Patent Nos. 6,100,061; 6,936,441; and 8,084,252. *Id.* The notice of investigation named Novo Nordisk A/S of Bagsvaerd, Denmark and Novo Nordisk Inc. of Plainsboro, New Jersey ("Novo Nordisk") as respondents. *Id.* at 29746. The Office of Unfair Import Investigations ("OUII") also was named as a party to the investigation. *Id.*

On September 3, 2015, Baxter filed a motion to amend the complaint and notice of investigation to add Baxalta, Inc., Baxalta US Inc., and Baxalta GmbH ("the Baxalta entities") as complainants. Neither Novo Nordisk nor OUII opposed the motion.

On September 16, 2015, the presiding administrative law judge ("ALJ") issued an ID, Order No. 10, granting the motion to amend the complaint and notice of investigation. The ALJ found good cause for the amendment. The ALJ found the amendment would not prejudice the parties because (1) they have been aware of a corporate transition involving Baxter and the Baxalta entities since the service of the complaint and the notice of investigation and (2) Baxter has been responding to discovery requests as though they were directed to Baxter and the Baxalta entities and will continue to do so. The ALJ found that having the correct parties in the investigation would simplify and streamline the discovery process. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: October 8, 2015.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 9, 2015, based on a complaint filed by Global Cash Access, Inc. ("Complainant"). 80 FR 32605–06. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), in the importation into the

United States, the sale for importation, and the sale within the United States after importation of certain automated teller machines, point of sale devices, and associated software that infringes claims 1–3, 5–7, and 9 of U.S. Patent No. 6,081,792. *Id.* The Commission's notice of investigation named as respondents NRT Technology Corp. of Toronto, Canada and NRT Technologies, Inc., of Las Vegas, Nevada. *Id.* at 32606. The Office of Unfair Import Investigations (OUII) is a party to the investigation. *Id.*

On August 26, 2015, Complainant filed an unopposed motion to amend the complaint and the notice of investigation to change the name of Complainant to Everi Payments Inc. to reflect a corporate name change. Complainant asserts that good cause exists for the amendments.

On September 15, 2015, the ALJ issued the subject ID, granting Complainant's motion to amend the complaint and the notice of investigation. The ALJ found good cause for granting the motion because it is early in the investigation and the amendments will not affect discovery or any issue to be litigated. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).
