

excluded, under figure 2-1, paragraph (34) (h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under that section.

Under figure 2-1, paragraph (34) (h), of the Instruction, an "Environmental Analysis Check List" and a "Categorical Exclusion Determination" are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR Part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for Part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add a temporary § 100.35-T05-012 to read as follows:

§ 100.35-T05-012, **Special Local Regulations; Sail Virginia 2007, Port of Hampton Roads, VA.**

(a) *Regulated area.* (1) The regulated area in support of the "Sail Virginia 2007" parade of sails marine event includes navigable waters within and 100 yards abeam of, 300 yards ahead of, and all waters between participating vessels transiting the Chesapeake Bay Thimble Shoal Channel, Hampton Roads Norfolk Harbor Entrance Reach, Elizabeth River Craney Island Reach, Lambert Bend, Lambert Bend to Pinner Point, Pinner Point to Town Point Reach, Town Point Reach to Norfolk Harbor, Virginia.

(2) The fireworks fall out area will include the following regulated area: The waters of the Elizabeth River and its branches from shore to shore, bounded to the northwest by a line drawn across the Port Norfolk Reach section of the Elizabeth River between the northern corner of the landing at Hospital Point, Portsmouth, Virginia, latitude 36°50'51.0" North, longitude 76°18'09.0" West and the north corner of the City of Norfolk Mooring Pier at the foot of Brooks Avenue located at latitude 36°51'00.0" North, longitude 76°17'52.0" West; bounded on the southwest by a line drawn from the southern corner of the landing at Hospital Point, Portsmouth, Virginia, at latitude 36°50'50.0" North, longitude 76°18'10.0" West, to the northern end of the eastern most pier at the Tidewater Yacht

Agency Marina, located at latitude 36°50'29.0" North, longitude 76°17'52.0" West; bounded to the south by a line drawn across the Lower Reach of the Southern Branch of the Elizabeth River, between the Portsmouth Lightship Museum located at the foot of London Boulevard, in Portsmouth, Virginia at latitude 36°50'10.0" North, longitude 76°17'47.0" West, and the northwest corner of the Norfolk Shipbuilding & Drydock, Berkley Plant, Pier No. 1, located at latitude 36°50'08.0" North, longitude 76°17'39.0" West; and to the southeast by the Berkley Bridge which crosses the Eastern Branch of the Elizabeth River between Berkley at latitude 36°50'21.5" North, longitude 76°17'14.5" West, and Norfolk at latitude 36°50'35.0" North, longitude 76°17'10.0" West.

(b) *Definitions.* (1) Coast Guard Patrol Commander means any commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector Hampton Roads.

(2) Official Patrol means any person or vessel authorized by the Coast Guard Patrol Commander or approved by Commander, Coast Guard Sector Hampton Roads to enforce this special local regulation.

(3) Sail Virginia 2007 Vessels includes all vessels participating in Sail Virginia 2007 under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector Hampton Roads.

(4) Parade of sail is the inbound procession of Sail Virginia 2007 vessels as they navigate designated routes in the Port of Hampton Roads on June 8, 2007.

(5) Spectator vessel includes any vessel, commercial or recreational, being used for pleasure or carrying passengers that are in the Port of Hampton Roads to observe part or all of the events attendant to Sail Virginia 2007.

(c) *Special local regulations.* (1) Except for the Official Patrol, participants, and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. (2) Any person in the regulated area must stop immediately when directed to do so by any Official Patrol and then proceed only as directed.

(3) All persons and vessels shall comply with the instructions of the Official Patrol.

(4) When authorized to transit within the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the parade and near other persons and vessels.

(4) The Coast Guard vessels enforcing this section can be contacted on VHF-FM Marine Band Radio, Channels 13 and 16. Coast Guard Sector Hampton Roads can be contacted at telephone number (757) 638-6633.

(5) Coast Guard Sector Hampton Roads will notify the public of changes in the status of this section by Marine Safety Radio Broadcast on VHF-FM Marine Band Radio, Channel 22 (157.1 MHz).

(d) *Enforcement period.* This section will be enforced from 6 a.m. June 8, 2007, to 11 p.m. June 9, 2007.

Dated: May 15, 2007.

Larry L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.

33 CFR Part 100

[CGD05-07-016]

RIN 1625-AA08

Special Local Regulations for Marine Events; Atlantic Ocean, Ocean City, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing special local regulations during the "Ocean City Maryland Offshore Challenge", a power boat race to be held on the waters of the Atlantic Ocean adjacent to the shoreline at Ocean City, MD. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic in the regulated area during the power boat race.

DATES: This rule is effective from 9 a.m. to 5 p.m. on June 16 and 17, 2007.

ADDRESSES: Documents indicated in this preamble as being available in the docket, are part of docket (CGD05-07-016) and are available for inspection or copying at Commander (dpi), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Dennis Sens, Project Manager, Inspections and Investigations Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

On March 21, 2007, we published a notice of proposed rulemaking (NPRM) entitled Special Local Regulations for Marine Events; Atlantic Ocean, Ocean City, MD in the **Federal Register** (72 FR 13219). We received no letters commenting on the proposed rule. No public meeting was requested, and none was held.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, support craft and other vessels transiting the event area. However, advance notifications will be made to affected waterway users via marine information broadcasts and area newspapers.

Background and Purpose

On June 16 and 17, 2007, the Offshore Performance Association, Inc. will conduct the "Ocean City Maryland Offshore Challenge", on the waters of the Atlantic Ocean along the shoreline near Ocean City, MD. The event will consist of approximately 45 V-hull and twin-hull inboard hydroplanes racing in heats counter-clockwise around an oval race course. A fleet of spectator vessels is anticipated to gather nearby to view the competition. Due to the need for vessel control during the event, vessel traffic will be temporarily restricted to provide for the safety of participants, spectators and transiting vessels.

Discussion of Comments and Changes

The Coast Guard did not receive comments in response to the notice of proposed rulemaking (NPRM) published in the **Federal Register**. Accordingly, the Coast Guard is establishing temporary special local regulations on specified waters of the Atlantic Ocean, Ocean City, Maryland.

The Coast Guard changed the regulated area by moving it 700 yards in an easterly direction away from the shoreline thereby increasing the safety buffer between the race course and the Ocean City, Maryland shoreline. The changes to the race course have placed the western boundary of the regulated area approximately 1000 yards offshore and parallel with the Ocean City, Maryland shoreline.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of

Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary.

Although this regulation will prevent traffic from transiting a small segment of the Atlantic Ocean near Ocean City, MD during the event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be enforced. Extensive advance notifications will be made to the maritime community via Local Notice to Mariners, marine information broadcasts, area newspapers, and local radio stations, so mariners can adjust their plans accordingly.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule would not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: the owners or operators of vessels intending to transit this section of the Atlantic Ocean during the event.

This rule would not have a significant economic impact on a substantial number of small entities for the following reasons. This rule would be in effect for only a limited period. Although the regulated area will apply to waters of the Atlantic Ocean near the Ocean City, Maryland shoreline, traffic may be allowed to pass through the regulated area with the permission of the Coast Guard patrol commander. In the case where the patrol commander authorizes passage through the regulated area during the event, vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the race course. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we offered to assist small entities in understanding this rule so that they can better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to

minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards

Environment

We have analyzed this rule under Commandant Instruction M16475.ID and Department of Homeland Security Management Directive 5100.1, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine parade permit are specifically excluded from further analysis and documentation under that section.

Under figure 2–1, paragraph (34)(h), of the Instruction, an "Environmental Analysis Check List" and a "Categorical Exclusion Determination" are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

■ 2. Add a temporary § 100.35–T05–016 to read as follows:

§ 100.35–T05–016 Atlantic Ocean, Ocean City, MD.

(a) *Regulated area.* The regulated area is established for the waters of the Atlantic Ocean bounded by a line drawn from a position along the shoreline near Ocean City, MD at latitude 38°22'01" N, longitude 075°03'29" W, thence easterly to latitude 38°21'50" N, longitude 075°03'00" W, thence southwesterly to latitude 38°20'10" N, longitude 075°03'42" W, thence westerly to a position near the shoreline at latitude 38°20'15" N, longitude 075°04'12" W, thence northerly along the shoreline to the point of origin. All coordinates reference Datum NAD 1983.

(b) *Definitions.* (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector Hampton Roads.

(2) *Official Patrol* means any vessel assigned or approved by Commander,

Coast Guard Sector Hampton Roads with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) *Participant* includes all vessels participating in the Ocean City Maryland Offshore Challenge under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector Hampton Roads.

(c) *Special local regulations.* (1) Except for event participants and persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area must stop the vessel immediately when directed to do so by any Official Patrol and then proceed only as directed.

(3) All persons and vessels shall comply with the instructions of the Official Patrol.

(4) When authorized to transit the regulated area, all vessels shall proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the race course.

(d) *Enforcement period.* This section will be enforced from 9 a.m. to 5 p.m. on June 16 and 17, 2007.

Dated: May 15, 2007.

L.L. Hereth,

Rear Admiral, U.S. Coast Guard, Commander, Fifth Coast Guard District.

[CGD08–07–012]

Drawbridge Operation Regulations; Illinois Waterway, Beardstown, IL

AGENCY: Coast Guard, DHS.

ACTION: Notice of temporary deviation from regulations.

SUMMARY: The Commander, Eighth Coast Guard District has issued a temporary deviation from the regulation governing the operations of the Burlington Northern Santa Fe Railroad Bridge, Mile 88.8, at Beardstown, Illinois across the Illinois Waterway. The deviation is necessary to allow time for replacement of rail ties which only can be done when the bridge is in the closed-to-navigation position. This deviation allows the bridge to remain closed-to-navigation during a 4-hour
