### Federal Energy Regulatory Commission

[Project No. 137–221]

#### Pacific Gas and Electric Company; Notice of Availability of Environmental Assessment

The EA contains Commission staff's analysis of the potential environmental effects of the proposed construction at the Tiger Creek regulator dam, alternatives to the proposed action, and concludes that the proposed amendment, with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

The EA may be viewed on the Commission's website at <http://www.ferc.gov> using the "elibrary" link. Enter the docket number (P–2071) in the docket number field to access the document.
