

I. Background

FDA is announcing the availability of a draft guidance for industry entitled "Over-the-Counter Sunscreens: Safety and Effectiveness Data." This draft guidance addresses FDA's current thinking regarding the safety and effectiveness data needed to determine whether a nonprescription sunscreen active ingredient or combination of active ingredients evaluated under the SIA is GRASE and not misbranded when used under specified conditions. The guidance also addresses FDA's current thinking about an approach to safety-related final formulation testing that it anticipates adopting in the future.

FDA is issuing this guidance in partial implementation of the SIA (Pub. L. 113-195), enacted November 26, 2014, which amended the Federal Food, Drug, and Cosmetic Act (the FD&C Act). Among other things, the SIA established new procedures and review time lines for FDA to determine whether a nonprescription sunscreen active ingredient or combination of active ingredients is GRASE and not misbranded when used under the conditions specified in a final sunscreen order (GRASE determination) (21 U.S.C. 360fff-1, -2, and -3). The SIA also directed FDA to issue four guidances on various topics, including this guidance (21 U.S.C. 360ffff-4). Many of the safety topics addressed in this guidance were discussed at a public Nonprescription Drug Advisory Committee meeting held September 4 and 5, 2014 (<http://www.fda.gov/AdvisoryCommittees/CommitteesMeetingMaterials/Drugs/NonprescriptionDrugsAdvisoryCommittee/ucm380890.htm>).

This draft guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The draft guidance, when finalized, will represent the current thinking of FDA on "Over-the-Counter Sunscreens: Safety and Effectiveness Data; Draft Guidance for Industry; Availability." It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative approach if it satisfies the requirements of the applicable statutes and regulations.

II. The Paperwork Reduction Act of 1995

This guidance contains collections of information that are exempt from the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520). Section 586D(a)(1)(C) of the FD&C Act (21 U.S.C. 360fff-4(a)(1)(C)) as amended by the SIA states that the PRA shall not apply to collections of information

made for purposes of guidance under that subsection.

III. Electronic Access

Persons with access to the Internet may obtain the draft guidance at either <http://www.fda.gov/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/default.htm> or <http://www.regulations.gov>.
