Office of Refugee Resettlement

Final Notice for FY 2005 Formula Allocation for Targeted Assistance Grants to States for Services to Refugees

AGENCY: Office of Refugee Resettlement (ORR), ACF, HHS.

ACTION: Final notice of availability of allocations for FY 2005 targeted assistance grants to States for services to refugees¹ in local areas of high need.

[CFDA No. 93.584, Refugee and Entrant Assistance—Targeted Assistance Grants]

SUMMARY: This final notice announces the availability of funds and award procedures for FY 2005 Targeted Assistance Program (TAP) grants to States for services to refugees under the Refugee Resettlement Program (RRP). These grants are for service provision in localities with large refugee populations, high refugee concentrations, and where specific needs exist for supplementation of currently available resources.

¹ In addition to persons who meet all requirements of 45 CFR 400.43, “Requirements for documentation of refugee status,” eligibility for targeted assistance includes refugees, asylees, Cuban and Haitian entrants, certain Amerasians from Viet Nam who are admitted to the U.S. as immigrants, certain Amerasians from Viet Nam who are U.S. citizens and victims of a severe form of trafficking who receive certification or eligibility letters from ORR, and certain other specified family members of trafficking victims. See Section II of this notice on “Authorization,” and refer to 45 CFR 400.43 and the ORR State Letter #01–13 on the Trafficking Victims Protection Act dated May 3, 2001, as modified by ORR State Letter #02–01, January 4, 2002, and ORR State Letter #04–12, June 18, 2004. The term “refugee,” used in this notice for convenience, is intended to encompass such additional persons who are eligible to participate in refugee program services, including the targeted assistance program.

Qualification of counties for eligibility for targeted assistance program grants is determined once every three years as stated in the FY 1999 Notice of Proposed Availability of Targeted Assistance Allocations to States which was published in the **Federal Register** on March 10, 1999 (64 FR 11927). The FY 2002–FY 2004 three-year project cycle has expired. FY 2005 is the year for the re-qualification of counties for the three-year project cycle, FY 2005, FY 2006, and FY 2007 for TAP funds. Qualifications of counties are based on the arrivals of refugees (see Footnote 1, eligible population) during the 5-year period from FY 2000 through FY 2004, and on the concentration of the arrivals population as a percentage of the general population. Counties that qualify for TAP FY 2005 funds on the basis of the most current 5-year population are listed in this proposed notice in Table 1, Table 2, Table 4, and Table 6.

Under this final notice, a total of 48 counties (Table 1) qualify for targeted assistance grants. Of these, 6 new counties (Table 2) qualify for targeted assistance grants, and 11 counties (Table 3) which previously received targeted assistance grants no longer qualify for targeted assistance program funding.

Application Deadline: Application deadline for targeted assistance program funding will be September 12, 2005. A full application is required this qualifying year, FY 2005. Six (6) new counties are eligible for targeted assistance. Counties that have received TAP funds in the past and will continue to qualify for TAP have not been required to submit a full application since FY 2002. Application requirements in the second and third of a 3-year project cycle will be less extensive.

SUPPLEMENTARY INFORMATION:

I. Purpose and Scope

This final notice announces the availability of Fiscal Year 2005 funds for targeted assistance grants for services to refugees (see Footnote 1 for eligible population) in counties where, because of factors such as unusually large refugee populations and high refugee concentrations, there exists and can be demonstrated a specific need for supplementation of resources for services to this population.

The Office of Refugee Resettlement (ORR) has available \$49,081,000 in FY 2005 funds for the targeted assistance
