

functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection

(2) *Title of the Form/Collection:* Semi-Annual Progress Report for Grantees from the Enhanced Training and Services to End Violence Against and Abuse of Women Later in Life Program (Training Program)

(4) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: 1122-0008. U.S. Department of Justice, Office on Violence Against Women

(5) *Affected public who will be asked or required to respond, as well as a brief abstract:* The affected public includes the approximately 18 grantees of the Training Program. Training Program grants may be used for training programs to assist law enforcement officers, prosecutors, and relevant officers of Federal, State, tribal, and local courts in recognizing, addressing, investigating, and prosecuting instances of elder abuse, neglect, and exploitation and violence against individuals with disabilities, including domestic violence and sexual assault, against older or disabled individuals. Grantees fund projects that focus on providing training for criminal justice professionals to enhance their ability to address elder abuse, neglect and exploitation in their communities and enhanced services to address these crimes.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* It is estimated that it will take the approximately 18 respondents (Training Program grantees) approximately one hour to complete a semi-annual progress report. The semi-annual progress report is divided into

sections that pertain to the different types of activities in which grantees may engage. A Training Program grantee will only be required to complete the sections of the form that pertain to its own specific activities.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to complete the data collection forms is 36 hours, that is 18 grantees completing a form twice a year with an estimated completion time for the form being one hour.

*If additional information is required contact:* Jerri Murray, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE., 3E.405B, Washington, DC 20530.

#### **Eaton Corporation, Cooper Power Systems, Power Delivery Division, Including On-Site Leased Workers From Adecco Employment, Olean, New York; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 27, 2014, applicable to workers of Eaton Corporation, Cooper Power Systems, Power Delivery Division, Olean, New York. The workers were engaged in activities related to the production of components and protective equipment consisting of surge arresters. The notice was published in the **Federal Register** on February 24, 2014 (79 FR 10187).

At the request of the State of New York, the Department reviewed the certification for workers of the subject firm. Information from the subject firm

shows that workers leased from Adecco Employment were employed on-site at Eaton Corporation, Cooper Power Systems, Power Delivery Division, Olean, New York. The Department has determined that these workers were sufficiently under the control of Eaton Corporation, Cooper Power Systems, Power Delivery Division, Olean, New York to be considered leased workers.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by a shift in production abroad of components and protective equipment consisting of surge arresters.

Based on these findings, the Department is amending this certification to include workers leased from Adecco Employment working on-site at the Olean, New York location of the subject firm.

The amended notice applicable to TA-W-83,312 is hereby issued as follows:

All workers from Eaton Corporation, Cooper Power Systems, Power Delivery Division, including on-site leased workers from Adecco Employment, Olean, New York, who became totally or partially separated from employment on or after December 18, 2012, through January 27, 2016, and all workers in the group threatened with total or partial separation from employment on date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 17th day of April 2015.
