## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Office of Public Health and Science; Title XVII of the Public Health Service Act; Delegation of Authority

Notice is hereby given that in furtherance of the delegation of authority to the Assistant Secretary for Health on September 28, 1979, by the Secretary of Health, Education and Welfare, the Assistant Secretary for Health has delegated to the Deputy Assistant Secretary for Women's Health all of the authorities under Title XVII of the Public Health Service Act, as amended, pertaining to the mission of the Office on Women's Health, OSOPHS. The delegation excludes the authorities to issue regulations and to submit reports to the President. The delegation includes, but is not limited to, the authorities under sections 1702(a)(1), (2), (3), and (4), sections 1703(a)(1), (2), (3), and (4), and sections 1704(1) and (2).

In addition, I have affirmed and ratified any actions taken by the Deputy Assistant Secretary for Women's Health which in effect involve the exercise of the authorities delegated herein prior to the effective date of the delegation.

### Redelegation

This authority may not be redelegated.

### Prior Delegations

All previous delegations and redelegations under Title XVII of the Public Health Service Act shall continue

in effect, provided they are consistent with this delegation.

### Effective Date

This delegation became effective on the date stated below.

Dated: October 16, 2008.

**Joxel Garcia,**

*Assistant Secretary for Health.*

### Centers for Disease Control and Prevention

#### Advisory Board on Radiation and Worker Health (ABRWH or Advisory Board), National Institute for Occupational Safety and Health (NIOSH)

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following meeting of the aforementioned committee:

*Time and Date:* 11 a.m.–5 p.m., November 6, 2008.

*Place:* Audio Conference Call via FTS Conferencing. The USA toll free dial in number is 1-866-659-0537 with a pass code of 9933701.

*Status:* Open to the public, but without a public comment period.

*Background:* The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines which have been promulgated by the Department of Health and Human Services (HHS) as a final rule, advice on methods of dose reconstruction which have also been promulgated by HHS as a final rule, advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program, and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC).

In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC. The charter was issued on August 3, 2001, renewed at appropriate intervals, most recently, August 3, 2007, and will expire on August 3, 2009.

*Purpose:* This Advisory Board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing

advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advising the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such radiation doses may have endangered the health of members of this class.

*Matters To Be Discussed:* The agenda for the conference call includes: SEC Petition Status Updates; Status of Board Recommendation on Connecticut Aircraft Nuclear Engine Laboratory (CANEL) SEC Petition; Blockson Chemical SEC Petition (Work Group Update); Updates from the Subcommittee on Dose Reconstruction and Work Groups; Board Response to Congressional Letter from Senator Charles Schumer, Senator Hillary Clinton, and Representative Louise Slaughter; New GAO Evaluation; Update on Board Technical Support Contractor Activities; Update on Selection of the Board's Contractor; Future Plans.

The agenda is subject to change as priorities dictate. Because there is not a public comment period, written comments may be submitted. Any written comments received will be included in the official record of the meeting and should be submitted to the contact person below well in advance of the meeting.

*Contact Person for More Information:* Theodore M. Katz, M.P.A., Executive Secretary, NIOSH, CDC, 1600 Clifton Rd., NE., Mailstop: E-20, Atlanta, GA 30333, Telephone 513-533-6800, Toll Free 1-800-CDC-INFO, E-mail [ocas@cdc.gov](mailto:ocas@cdc.gov).

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both CDC and the Agency for Toxic Substances and Disease Registry.

Dated: October 15, 2008.

**Elaine L. Baker,**

*Director, Management Analysis and Services Office, Centers for Disease Control and Prevention.*
