

2. Gather Sub-Committee Participants and Attendees to ask targeted questions for situational awareness related to the Sub-Committee for Oxygen.

3. Identify potential Objectives and Actions that should be completed under the Sub-Committee for Oxygen.

4. Identify pandemic-related information gaps and areas that merit sharing by holding recurring meetings of the Sub-Committee for Oxygen with key stakeholders.

Meetings Closed to the Public: By default, the DPA requires meetings held to implement a voluntary agreement or plan of action be open to the public.⁷ However, attendance may be limited if the Sponsor⁸ of the voluntary agreement finds that the matter to be discussed at a meeting falls within the purview of matters described in 5 U.S.C. 552b(c), such as trade secrets and commercial or financial information.

The Sponsor of the Voluntary Agreement, the FEMA Administrator, found that these meetings to implement the Voluntary Agreement involved matters which fall within the purview of matters described in 5 U.S.C. 552b(c) and the meetings are therefore closed to the public.

Specifically, these meetings may require participants to disclose trade secrets or commercial or financial information that is privileged or confidential. Disclosure of such information allows for meetings to be closed to the public pursuant to 5 U.S.C. 552b(c)(4).

The success of the Voluntary Agreement depends wholly on the willing participation of the private sector participants. Failure to close these meetings to the public could reduce active participation by the signatories due to a perceived risk that sensitive company information could be prematurely released to the public. A premature public disclosure of a private sector participant's information could reduce trust and support for the Voluntary Agreement.

A resulting loss of support by the participants for the Voluntary Agreement would significantly frustrate the implementation of the Agency's objectives. Thus, these meeting closures are permitted pursuant to 5 U.S.C. 552b(c)(9)(B).

Deanne Criswell,

Administrator, Federal Emergency Management Agency.

SUMMARY: The Department of Homeland Security, will submit the following Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted until November 24, 2021. This process is conducted in accordance with 5 CFR 1320.1.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this specific information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION: The Department of Homeland Security's (DHS) Office of the Immigration Detention Ombudsman (OIDO) is an independent office tasked with resolving individual complaints from or about individuals in immigration detention regarding the potential violation of immigration detention standards or other potential misconduct. OIDO was established by Congress (Sec. 106 of the Consolidated Appropriations Act, 2020, Pub. L. 116-93). Its intake form is intended for use by individuals wishing to submit a complaint to OIDO. Information collected will provide the office with details about the allegations the submitter seeks to have OIDO address.

The information collected on this form will allow OIDO to identify: (1) The individual submitting the complaint and their contact information; (2) the detained individual who is the subject of the complaint; (3) the government-owned or contracted facility where the individual is or was detained and for how long; and (4) relevant details about the complaint. All of this information will be used by OIDO to investigate, resolve, and if appropriate, provide redress.

The use of this form is the most efficient means for collecting and processing the required data. Initially, collection will be via a paper form, which may be obtained from OIDO staff conducting routine visits in detention facilities. The form will also be available for download from the OIDO website. The PDF form will be able to be completed online, printed out, and submitted to OIDO by email, mail, or fax, or handed to a staff member in a detention facility.

After approval of the form described in this supporting statement, an electronic version will be developed so that submitters may complete and file via the OIDO website. The paper version will continue to be available; it will be noted on the form that using the paper method may result in processing delays for OIDO to complete data entry.

This information collection does not have an impact on small businesses or other small entities.

If this information is not collected, OIDO will not be able to accomplish its Congressional mandate to provide assistance to individuals who may be affected by misconduct, excessive force, or other violations of law or detention standards.

The assurance of confidentiality provided to the respondents for this information collection is based on the forthcoming Privacy Impact Assessment for the Immigration Detention Ombudsman Case Management System (ID-CMS) (June 21, 2021). Additionally, the information collected is covered by DHS/ALL-020 Department of Homeland Security Internal Affairs, April 28, 2014, 79 FR 23361 and DHS/ALL-025 Law Enforcement Authority in Support of the Protection of Property Owned, Occupied, or Secured by the Department of Homeland Security System of Records, June 14, 2017, 82 FR 27274.

This information collection was constructed in compliance with regulations and authorities under the purview of the DHS Privacy Office, DHS OCIO, DHS Records Management, and OMB regulations regarding data collection, use, sharing, storage, information security, and retrieval of information.

There are no changes to the information being collected and there is no change to the estimated burden associated with this collection.

The Office of Management and Budget is particularly interested in comments which:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including
