Electronic Access and Filing

This document, the 2024 NPRM, and all comments received may be viewed online through the Federal eRulemaking portal at www.regulations.gov. Background

On February 21, 2024, at 89 FR 13000, FHWA issued an NPRM proposing to update the HSIP regulations at 23 CFR part 924 to address provisions in the Infrastructure Investment and Jobs Act (Pub. L. 117–58) and to reflect then-current priorities and state-of-practice.

Consistent with President Trump’s commitment to ending unlawful, unnecessary, and onerous regulations, FHWA is reviewing its existing regulations and ongoing regulatory activities for alignment with law and Administration priorities. FHWA is withdrawing this NPRM because further rulemaking action with respect to the NPRM does not align with agency needs, priorities, and objectives. FHWA appreciates the comments received and will continue to consider the best means of addressing some or all of the issues covered by the NPRM and the scope of any agency actions FHWA concludes may be necessary to address these issues.

In addition, all agencies participate in the semi-annual Unified Agenda, which provides a summary description of the rulemaking actions that each agency is considering or reviewing. Agencies’ agendas are posted on the public website of the Office of Information and Regulatory Affairs, and portions are published in the **Federal Register** in the spring and fall of each year. The Unified

Agenda is often used as a tool to solicit interest and participation from stakeholders. Withdrawal of this NPRM will allow FHWA to better align its entries on the Department’s Unified Agenda with the agency’s needs, priorities, and objectives.

Accordingly, for these independently sufficient reasons, FHWA is withdrawing the NPRM associated with RIN 2125–AG07 and terminating this rulemaking. By terminating this rulemaking, FHWA is indicating that it no longer considers this NPRM to be pending. Should the FHWA decide at a future date to initiate the same or similar rulemaking, FHWA will initiate a new rulemaking under a new RIN, consistent with the requirements of the Administrative Procedure Act, 5 U.S.C. 553.

Gloria M. Shepherd,
Executive Director, Federal Highway Administration.
