

("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 203A-2(f), which is entitled "Internet Investment Advisers," exempts from the prohibition on Commission registration an Internet investment adviser who provides investment advice to all of its clients exclusively through computer software-based models or applications, termed under the rule as "interactive websites."¹ These advisers generally would not meet the statutory thresholds set out in section 203A of the Advisers Act—they do not manage \$25 million or more in assets and do not advise registered investment companies.² Eligibility under rule 203A-2(f) is conditioned on an adviser maintaining in an easily accessible place, for a period of not less than five years from the filing of Form ADV relying on the rule,³ a record demonstrating that the adviser's advisory business has been conducted through an interactive website in accordance with the rule.

This record maintenance requirement is a "collection of information" for PRA purposes. The Commission believes that approximately 25 advisers are registered with the Commission under rule 203-2A(f), which involves a recordkeeping requirement manifesting in approximately four burden hours per year per adviser and results in an estimated 100 of total burden hours (4 × 25) for all advisers.

This collection of information is mandatory, as it is used by Commission staff in its examination and oversight program in order to determine continued Commission registration eligibility for advisers registered under this rule. Responses generally are kept confidential pursuant to section 210(b) of the Advisers Act.⁴ Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden of the collection of information; (c) Ways to enhance the quality, utility, and clarity of the information collected; and (d) Ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549.

July 6, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 16, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by Amex.³ On June 28, 2005, Amex filed

Amendment No. 1 to the proposed rule change.⁴ The Exchange filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(6) thereunder,⁶ which renders the proposed rule change effective upon filing with the Commission.⁷ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Amex proposes to extend for an additional six-month period ending December 30, 2005, the Exchange's pilot program for odd-lot execution procedures for Nasdaq securities traded on the Exchange pursuant to unlisted trading privileges. There is no proposed rule text. Amex is making no changes to the pilot program as it currently operates, other than extending it through December 30, 2005.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. Amex has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

Under the Exchange's current pilot program, after the opening of trading in Nasdaq securities, odd-lot market orders and executable odd-lot limit orders are executed at the qualified national best bid or offer¹¹ at the time the order is received at the trading post or through Amex Order File. Odd-lot market orders and executable odd-lot limit orders entered before the opening of trading in Nasdaq securities are executed at the price of the first round-lot or part of round-lot transaction on the Exchange. Non-executable limit orders, stop orders, stop limit orders, orders filled after the close and non-regular way trades are executed in accordance with Amex Rule 205 A(2), A(3), A(4), C(1) and C(2), respectively. Orders to buy or sell "at the close" are filled at the price of the closing round-lot sale on the Exchange. In a locked market condition, odd-lot market orders and executable odd-lot limit orders are executed at the locked market price. In a crossed market condition, odd-lot market orders are
