SUPPLEMENTARY INFORMATION:

OMB No.: 0412-0576.

Form No.: N/A.

Title: Security Firm Survey.

Type of Review: Renewal of Information Collection.

Purpose

It has become increasingly necessary in today's international environment for USAID to employ security firms to assist in providing a secure environment for its overseas employees. Due to the recent event involving the use of deadly force by U.S. Government contractors and/or subcontractors or subgrantees in Iraq, there is now a tremendous amount of interest in how, when and where the Government uses these private security firms. This necessity and resulting heightened scrutiny will continue for the foreseeable future.

USAID's Office of Acquisition and Assistance ("OAA") must therefore closely monitor the types of security service contracts and agreements USAID missions enter into and how these contracts/grants are implemented. Approximately 20 missions have entered into security service contracts/agreements and most of the information OAA requests can be gathered within the mission without burdening the contractors/grantees. Missions will be instructed to contact the contractors/grantees on a limited basis only when the information cannot be obtained internally.

Annual Reporting Burden

Respondents: 20.

Total annual responses: 20.

Total annual hours requested: 60 hours.
